Abstract Format Capstone Design Expo (Put Title Here – 18 pt Times New Roman)

Project Team: George Washington, Thomas Jefferson, Alfred E. Newman (all in 10 pt Times New Roman)
Mechanical and Nuclear Engineering
Project Number MNE 22-506

Multiple departments and/or Business?
Project Team: Hunter S. Thompson[1], Ernest Hemingway[1], Mark Twain[2], Shania Twain[3]
[1]Mechanical and Nuclear Engineering
[2]Biomedical Engineering
[3]School of Business
Project Number MULT 22-605

Faculty Advisor(s): Lady Gaga, Ph.D.
Sponsor: Intel
Mentor: Albert Einstein

The abstract follows the project name, team members, faculty advisor(s), sponsor (if any) and sponsor mentor(s) (if any). The abstract is a concise description of your project and its outcome. The abstract should be between 200 and 250 words (no more), and should not cite references. The abstract should have normal margins (1" on each side) and format it in 10-point Times New Roman font, except the title, which is 18 pt. Times New Roman Font.

Keywords: Identify up to four keywords relevant to this project.

If possible, add one or more pictures and/or graphs to add impact to the abstract. In all cases, the abstract must be a single page.
