

Privacy Policy for WA Status Saver

****Effective Date:**** 2025-12-07

This Privacy Policy describes how ****WA Status Saver**** ("we", "our", or "us") collects, uses, and discloses your information in connection with your use of our mobile application (the "App").

1. Information We Collect

1.1. Personal Information

We ****do not**** collect any personal information (such as your name, email address, or phone number) directly through the App. The App functions locally on your device to save statuses from WhatsApp.

1.2. Device Permissions

To function properly, the App requires the following permissions:

- * ****Storage Permission (Read/Write):**** Required to access and save WhatsApp statuses (images and videos) to your device's internal storage. We do not access any other files on your device.
- * ****Internet Access:**** Required to display advertisements and for basic app functionality (e.g., error reporting).

1.3. Information Collected by Third Parties

We use third-party services that may collect information used to identify you.

- * ****Google AdMob:**** We use Google AdMob to display advertisements. AdMob may collect information such as your device ID, advertising ID, and other usage data to show personalized ads.
 - * [Google Play Services Privacy Policy](https://policies.google.com/privacy)
 - * [AdMob Privacy Policy](https://support.google.com/admob/answer/6128543?hl=en)

2. How We Use Your Information

Since we do not collect personal information directly broadly, we mainly use the permissions granted to:

- * Save the statuses you select to your device.
- * Display advertisements via Google AdMob.

3. Log Data

We want to inform you that whenever you use our Service, in a case of an error in the app we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

4. Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

5. Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
