

Ongoing Tasks (Can be done at any time)

- Watering beds when dry (Careful not to get the leaves too wet as this can cause damage)
- Weeding paths
- Weed the large bed on the right hand side of the site. (Don't remove apple tree or young hedge running down the middle)
- Keeping on top of weeds in both the strawberry and raspberry beds
- Turn compost heap

Future Tasks (To be done at some point in the future)

- Clean the outside of polytunnel
- Organise building of new shed
 - Paint shed once built
- Paint new boards for decoration
- Rebuild scarecrow
- Fix door on polytunnel

Future Planting

- Leeks in polytunnel (asap)
- French beans in bed 5b (asap)
- Beetroot in bed 5a (April - July)
- Pak choi in polytunnel (Late June)
- Various salads in polytunnel (Late June)
- Broccoli in bed 3a & 3b (whenever possible)
- Nasturtium in bed 1a (whenever possible)
- Winter tares in bed 6b (and the large bed) (whenever possible)
