

Green Hill High School Extracurricular Involvement Form

Engaging in extracurricular activities provides GHHS ECA students the opportunity to become active members of the GHHS community and has a lasting, positive impact on the student. Extracurricular activities enable students to acquire life skills, cultivate leadership opportunities, enhance the teamwork experience, and help to develop time management skills.

Each time you participate in extracurricular activities, you must have this form completed. At the end of each school year please provide a copy to Mrs. Walker. When you graduate, these activities can also be used for your college applications so please keep a copy for your records.

Note: Involvement in extracurricular activities is NOT a graduation requirement. However, completion of 20 hours of extracurricular activities per year is a requirement for graduating from the Early College Academy at Green Hill High School.
