'You must be tired, captain. How about resting a little?'

'No. I need to clean up at least these files today.'

'If it's just that I'll take care of it later on, so...'

'Instead of that, captain, if you don't do that pretty soon...lately your command over the men is slipping...'

'I guess I have to...have to do that...don't I...'

06

'Well then...captain.'

'Huh...I...I got it...'

'.....'

07

'Ew...it feels drafty down there...'

'Um...actually, maybe let's not?'

'No one's going to be happy even if I do this, I'm sure...'

'No. You must!!'

'Kyaa-'

08

'Woooooooooaaah!'

'Captain...isn't...isn't wearing panties! Hey!'

'And...her pubic hair! I wonder what...what the inside of that bush is...is like...'

'Captain, we can't see the main spot like this!'

'Please 'scuse me...'

'Kyaa-!!'

09

'Now, Captain, can you see everyone's faces?'

'Everyone's eyes are focused right on your crotch, captain. Everyone's eyes as in your subordinates' eyes, that is.'

'Ooooo...it's the captain's pussy! Hey...I...I can't look away!'

'Aaah~ But you know, we've already seen this much before so...I want something more exciting than this, you know?'

'Captain, everybody in the crew won't be satisfied with just this much.'

'So how about this? Try masturbating in front of everyone!?'

'Id-...idiot! Please don't say that-!!'

'There's just no way I can do anymore that this!! I'm going back-please let me go-!!'

'Have you forgotten!? Captain!!'

'This ship is only moving because of the crew!!'

10

'You're going to comply with their expectations, Captain!!'

'No-Nooo-!!!'

'C'mon-!! Let everyone in the crew see more-!!'

'Cameras-zoom in more-!!'

SFX: Wet shlicking sounds, messy gooey noises

'Announcement for the entire crew!'

Grrr- I'm cumming!!

M- Me, too!

Alright, guys! All hail the Captain!!

18

Good job, Tessa-tan. I believe we have about 100 more folks heading our way.

So, we're still a long way from being finished with everyone.

1... 100 more...

Mardukas-san... Did I... make myself useful for everyone?

Yes... And you are now one step closer to becoming a full-fledged commander.

Being a captain sure is tough...

I'm so glad that I'm a guy (song symbol)

Nnngh...!

SFX: Slurp... Slurp...

You had way too much Amazake, didn't you?

TL Note: Amazake is a low-alcohol rice drink.

Small Text in bubble: Ugh!

You are... way more aggressive than you normally are today.

What are you talking about? Amazake doesn't count as an alcohol.

Erm, no... It definitely made you drunk, more than enough.

So anyway, Sousuke,

Small Text: Haaa

Do you know what day is today?

Small Text: Haa-

Small Text: Haaa... You are impressive down here, as always.

It's Hi-Na-Ma-Tsu-Ri!!

AKA Girls' Day!

Sex on Girls' Day

Nittakumi

TL Note: In the original Japanese title, the word for "Sex" is a wordplay for "festival".

20

I know...

That's why I'll be the one servicing you after this-

Nope!

Small Text in Bubble: I mean,

I'm not a "girl" anymore.

SFX: Stumble Stumble...

But why are you wearing a swimsuit under your uniform...?

She got drunk on Amazake and changed into this, all by herself!!

So, anywayz...

It's "Girls' Day".

SFX: Flap

22

But... Come on.

Girls' Day is known as "Hinamatsuri"... Meaning the day of celebration for a child (hina) becoming an adult.

Anywayz, it's kind of like the Genpuku ceremony for "Samurai" coming-of-age.

Reeeeeeeally?!

Small Text in Bubble: S... Samurai you say...?

Which is why... Look, how Hishimochi is shaped so much like a girl's "delicate place"...

Small Text in Bubble: Fufu

TL Note: Hishimochi is a traditional Japanese sweet most commonly associated with Girls' Day. Google Image yourself if you want to see if it looks perverted or not :D

SFX: Gulp

SFX: Thump

Come on...

Small Text in Bubble: Come on...

Go and make Tessa a woman.

SFX: Gaaaah-

24

Small Text in Bubble: Mumble-

Small Text in Bubble: Mumble...

Small Text in Bubble: Mumble Mumble...

It's an initiation. So we have to do this...

Small Text in Bubble: Mumble-

What you're saying makes absolutely no sense, you know?! Hold o... Mao-san!!

Give it a rest, Tessa.

Sousuke is going to make you a real woman.

What are you talking ab... I mean today's no-

Uuunn...

SFX: Tremble

Small Text in Bubble: Ma-

SFX: Gulp Gulp

25

W... Wut didya gib meee~?

SFX: Swirling

Just a tonic that gets you in the mood.

Small Text: Alcohol

But enough about that, I can see that your mouth is pretty free right now.

Small Text in Bubble: Come on now.

You should return the favor for Sousuke, you know?

So this is...

SFX: Thump Thump

Sagara-san's...

SFX: Slurp Slurp

26

Ugh...

Looks like... everything's in order now.

Sousuke,

Small Text in Bubble: You know what to do.

Small Text in Bubble: That's not how I-

SFX: Splash

SFX: Spurt

HA! You're so sensitive even to verbal stimulations!

SFX: Thrust

SFX: Slurp

SFX: Lick

Is this how the Whispered are different? Being able to cum hard like this even for first-time sex?

Small Text in Bubble: Damn

29

SFX: Haa... Haa

It's about it.

Hnnnnaaahh!

Ahaaaaannnn!!

30

SFX: Haaa Haa... Haa Haaa...

I was trying to say that today's not Girls' Day!!

Huh?!

SFX: Nnngh...

It's already April now...

Small Text: It's not Girls' Day.

Small Text: It's not the day you turn adult.

Small Text: I'm just a Class-A War Criminal (?)

It's April 1st!

SFX: fsshhh-

Yeah... That's right...

SFX: Hic

SFX: Thump

SFX: shrug

Huh?

SFX: whoosh

How to catch a guy's heart?

Isn't it quite obvious?

Your anus, of course. Your anus. Use your ass to make him fall for you.

C- C- Captain, I... I'm not someone worthy of such confession...
But more importantly, I can't really imagine why you would
choose such a place for such a statement.

Sergeant Weber told me that it's SOP in Japanese school to
invite someone to the athletic storage room to make your love
confession. Or am I wrong about this?

No, I can't really say that you're wrong, Captain...

Great.

The End

(45-46 No Text)

SOYOSOYO here.

So we got our 3rd FMP doujinshi in a row.

I had to re-watch Fumoffu for plot development.

But it was the best! The best I say!

I'd really like for them to do a sequel if possible.

Oh, and I've been super busy!!!!!!

This year appears to be the year of all-professional-jobs...

But next year, though, we might get to publish all kinds of stuff all at once.

Good day to all those we're meeting for the first time. And a great thanks to all those who had always supported us~

This is our 3rd Irodori FMP doujinshi. And, there is just no way I can grab something out of the original for the plot. It ended up as a sort of "one and done!" kind of deal. I know that Mao used word tricks to manipulate the others in my story, but she never once did say "today's March 3rd". So there's that (lol). Hopefully you all enjoyed it! Well, then, see you guys around.

TL Note: March the 3rd is the day for Hinamatsuri holiday in Japan, and the title of the story was "Sex on March 3rd". The

author is pointing out that despite the title, Mao never actually said anything about the date.

Nittakumi

Mao's Boobs 100%

It's been so long since I last watched the first FMP anime, and I was surprised by how fun it was to rewatch comparing it what I remembered... (^_^;)

Very well made, I must say...

Good day! Zuki(ki) here.

It's been a REALLY LONG while since the last time I drew for "Irodori" was for the AiAo doujinshi. Thank you guys for inviting me for the FMP doujinshi this time!

Speaking of which, I gotta say "Fumoffu" is such an impactful work.

Even now, which is quite a bit after the initial broadcast, I'm still very much enthralled by the Captain's charm.

Good day, Hyoujun Mai here. So I finally got to join the gang for a 2nd time, and this really made me think "Hey, am I a full-fledged member of Irodori or what?" (lol)

My personal group also published an FF doujinshi, so please check it out if you can.

I also got a homepage. Those who are interested are more than welcomed to take a peek.
