K-2 Courses

Course Title: Comprehension Connection

Target Audience: K-2

Course Description: Can your learner call out the words they see on a page? Let's go to the next level. We will provide parents with information regarding comprehension strategies to have learners "thinking about their reading."

Facilitators: MS. Watts and Mrs. A. Khan

Location: Blue House

Course Title: iPICK- Choosing Just Right Books

Target Audience: K-2

Course Description: With so many books out there, choosing the right one can be overwhelming. Come learn how to pick books that are **JUST RIGHT** for your child's reading level and abilities.

Facilitators: Mrs. Sonnamaker, Mrs. Patel, Mrs. TadgerSon, Mrs. Shannon

Location: Yellow House Room 102

Course Title: Meaningful Bedtime Stories

Target Audience: K-2

Course Description: We know that most families read night time stories and with simple strategies you can make that bedtime story more meaningful for your learner. Come to learn how to take your story time to the next level.

Facilitators: Mrs. Lamb, Miss Wallace, Miss Osborn

Location: Green House room 404

Course Title: Fluent Reading-Clearing up Misconceptions

Target Audience: K-2

Course Description: Does your learner read easily and accurately? In our session we will explore the characteristics of a fluent reader and how you can support reading fluency at home.

Facilitators: Mrs. Howard, MS. Greer, Mrs. Patel

Location: Purple House - Open Space 309

Course Title: Questioning

Target Audience: K-2

Course Description: We will explore the difference between thick and thin questions and discuss ways to encourage readers to question the text and increase how your child thinks about their thinking while reading.

Facilitators: Mrs. Jensen, Mrs. Reeves, Mrs. Apgar, MS. Reichert

Location: Red House - Room 205

3-5 Courses

Course Title: Good Fit Books

Target Audience: 3-5

Course Description: With so many books out there, choosing the right one can be overwhelming. Come learn how to pick books that are **JUST RIGHT** for your child's reading level and abilities.

Facilitators: Mrs. Holcomb, Mrs. S. Khan, Mrs. Mayes

Location: Blue House Space 509

Course Title: Questioning Strategies for Independent Reading

Target Audience: 3-5

Course Description: Join us to receive hands-on-tools that you will be able to utilize while your learner is independent reading.

Facilitators: Mrs. Schlieve, Ms. Adrian, Mrs. Brown

Location: Yellow House Classroom

Course Title: Bring Poetry to Life with Comprehension

Target Audience: 3-5

Course Description: Introduce poetry to your child through thoughtful engagement, analysis, and applications. Learn about how reading and comprehension of poetry creates deeper levels of thinking.

Facilitators: Ms. Richter, Ms. Daniel, Ms. Radka, Mrs. Merritt

Location: Green House

Course Title: Notice & Note Signposts

Target Audience: 3-5

Course Description: We will explore six "Signposts" that are often found in fiction literature to build comprehension and promote higher levels of thinking while reading. These strategies will help support conversations you can have with your child when reading.

Facilitators: MS. Knight, Mrs. Sinclair

Location: Purple House Open Space 310

Course Title: Building Vocabulary

Target Audience: 3-5
