Parents/Guardians

As stated in the previous letter, last evening a threatening note was brought to the attention of high school administration. This note stated that a student had a bomb, prompting administration to act quickly to begin a cooperative investigation with both Livingston and Ford County Deputies. While the initial investigation led to no credible threats, out of an abundance of caution, the investigation continued throughout this morning, including an entire sweep of the building with the assistance of the University of Illinois canine unit. The building was cleared by all units and there are no ongoing threats to student or staff safety. School will resume as normal tomorrow, January 16th. Please know that Tri-Point will continue to place the safety and well-being of our students and staff in the highest regard. Thank you.
