Secretary and Public Officer Report 2021/22.

The year started as the previous one did, with uncertainty about whether life would get back to any normality. Over the year we became used to snap lockdowns, multiple vaccinations and of course most of us are all used to wearing masks! However, with all of this we did get some normality back and we could see friends and loved ones as well as socialise in venues other than our homes.

This year the Evergreen Seniors Group had quite a few social functions as well as outings. The highlights include, the trip to Bendigo for the Elvis Exhibition and the River Cruise and lunch down the Yarra (we were blessed with perfect weather!). I am sure that the incoming committee will organise more of these wonderful events.

As usual Mary worked incredibly hard to organise the said events as well as working with government departments and other entities securing grants. I would like to take this opportunity to thank Mary and the committee for their dedication and hard work to the Evergreen Seniors Group. I would like to thank Neil and Veronica of the Keysborough Learning Centre for their ongoing support and guidance. I look forward to continuing working with all of you
