### Sharpeners:

### Colored Pencils:

- Preferably Prismacolor set (they blend best), they are in between the price of student grade and artist grade colored pencils - (72 set is often the best deal, but you can start with a smaller set.)
- Or you can use student grade if Prismacolors are too pricy, like Sargent art, Castle Art, Arteza, etc.
- Also, it's good to get a "Prismacolor colorless blender pencil"

### Oil Pastels:

- Thick or thin Oil Pastels (Thick are better for big areas, thin are better for details), such as Cray Pas, Faber Castell, Pentel, etc.
- Colorless blender oil pastel (optional)

**Please note: No Soft or Chalk Pastels in this class.**
