5. 4:30pm - 6:00pm: Final Round

The FOOD
Pantry
SERVING WAUKESHA COUNTY

-The Rules:

1. There are no limits to how large of an army you can bring. The minimum point value is 2,500 points. If you want to bring 10,000 points of your faction then bring it, we will try to fit everything on the table. Just know if you bring a massive amount, like 20,000 points then we might have trouble fitting it all.

2. All limits on army building are ignored except for epic heroes. If you want to bring 10 redeptor dreadnoughts or 20 units of nobz then bring them, you just can't bring multiple Guillimans for example.
3. Bringing larger models such as titans, stompas, etc. is heavily encouraged. Parts of the board will be designed with larger models in mind.
4. All legends units are allowed.
5. There will be no stratagem usage, enhancements or command point generation.
6. The event will only go four rounds.
7. Everyone will be split into two teams. We will try to make the teams as thematic as possible.
8. Each team's turn will have a time limit of 45 minutes to do everything in their turn. This means each round will have a time limit of an hour and a half.
9. The most important rule for the event is that this is a CASUAL event. We are all playing to have a good time and raise money for a good cause. There is nothing competitive about this event.
