A special thank you to Rod McKinley and the Nominations Committee for their dedication and service to the community in preparing the above candidates for your consideration.

Wanted to serve but you weren't asked? It's not too late! Here's the fine print:

Per the CCRS: Article V, Section 10. C. Selection of Directors...the slate shall be posted in the Association Office the first business day after said regular Board meeting and shall be made available to any Member requesting a copy. In addition, any human being who is a Member in good standing may be nominated by a petition of Members entitled to cast fifty (50) votes, provided that such petition must be received prior to the close of business on the fourteenth (14th) day following the date on which the slate presented by the Committee on Nominations and Elections is posted. If a Member is nominated by petition, such petition shall be validated by the Secretary of the Board, and, if valid, a revised slate including such nominee shall be posted in the Association Office within five (5) business days of the receipt of the petition.

It's election season River Hills!
