

The Diamond Dozen

I am building a fabulous team.
Here are the qualities that I am looking for in my team:

1. Women who already know that God intended for them to have more.
2. Women who value education and training.
3. Women who can embrace Mary Kay's philosophy of God first, family second, and career third. Also the Golden Rule – treat others the way you would like to be treated.
4. Women who can get excited about positively impacting women.
5. Women who are willing to work to increase their financial situation.
6. Women who have or want a high degree of independence.
7. Women, who are willing to be part of a team, love to create a positive environment and have a will to win.
