Determined to Stay Stories Notetaker

Cultural Energizer & Opening Activity - Reflect on the following questions as you listen to the song and watch the film clip. Take down a few notes as you listen/watch.

- How do you define home?

- Why do people leave their homes; or what might force them to have to leave?

These are all real stories. The narratives were developed based on interviews with these people. You will read an excerpt.

Story Character	How does this person define "home"?	Why were they forced to leave their home OR why is their home at risk?	How has that affected their identity, their sense of who they are in the world?	What are their hopes for the future in terms of home?
