

Welcome 2nd Grade Families!

You have decided to enroll your 2nd grade student in the Southeast Polk Remote Learning Pathway. Please carefully read the following information as it pertains to online learning for your child.

The second grade teaching team consists of two teachers:

- Mrs. Susan Moeller teaches math and leads class meetings for Delaware, Altoona, Runnells, and Four Mile- susan.moeller@southeastpolk.org
- Mrs. Tammy Steenhoek teaches reading and writing and leads class meetings for Willowbrook, Centennial, Clay, and Mitchellville - tamera.steenhoek@southeastpolk.org

The second grade teaching team uses Google Classroom to share information with students. Assignments and tasks will be posted on a daily basis. Please remember that these tasks are required in the remote learning pathway as must be completed in order for your student to be considered present for each day of school. Please go to classroom.google.com on your child's chromebook and accept the invitation to join "SEP Online School". If your student has not received an invite, please contact the teaching team.

Students are grouped according to their home elementary building for live instruction. Live instruction occurs on Monday, Tuesday, Thursday and Friday. Under the schedule below, you will notice links to Zoom. Please have your child attend Zoom sessions according to their school session.

Centennial and Clay

| | |
|---------|---------------------------------------|
| 9:00am | Class Meeting with Mrs. Steenhoek |
| 9:15am | Reading & Writing with Mrs. Steenhoek |

Meeting ID: 822 7222 5452 Passcode: 093920

Wednesdays are different for all remote learners. We will provide 'On Demand' tasks for students each Wednesday. Some activities will be required while others will be optional for families to participate in.

Each week, we will post a learning log/newsletter for parents/guardians. This will be posted in the Google Classroom, as well as on the Southeast Polk Remote Learning website. This is meant to help you guide the learning at home for your child. It will include the daily and weekly learning goals for your student as well as daily assignments they will be asked to complete.

Additionally, you will find links to 'On Demand' lessons on the opening slides for Math and Reading and Writing. These lessons are available if your child is not able to attend a particular live learning opportunity. The students completing the On Demand lessons will be required to complete the same tasks as the Live instruction students.

Welcome to our Remote RAMS 2nd grade classes. We are so glad that you are joining us!

Mrs. Moeller and Mrs. Steenhoek

P.S. You can find previously shared information [on our website](#).
