

We are located...

1. Behind the Parkside Arts and Humanities Building;
2. To the left of the Parkside Dining Hall

1. When walking towards the Dining Hall, take a left, and follow the pathway behind the large brick building (Parkside A&H). This pathway passes a loading dock, at the end of it is the garden.

OR

2. When walking towards Parkside A&H, under the awning, there is a “secret” shortcut through the outside of the building. This leads you to the path to the garden.
