

PNMB 2025

For Everyone (Winds & Percussion)

Binder/Sheet Protector

- [3 ring binder](#)
- [Sheet protectors](#)

Used for Parades & Pep Band Music!

- Flutes: [use this all-in-one kind that goes on your arm](#)
- Clarinets use two pieces, the lyre (in the correct size) and a flip folio:
 - [Yamaha brand clarinets use this lyre](#)
 - [Selmer brand clarinets use this lyre](#)
 - [...and all other brands of clarinet use this lyre](#)
 - [Clarinet Flip Folio](#)
- Alto/Tenor Saxophones use two pieces, the lyre (in the correct size) and a flip folio:
 - [Yamaha saxophones use this lyre](#)
 - [...and all other brands of sax use this lyre](#)
 - [Sax Flip Folio](#)
 - Plus, it's recommended to take your instrument up to Marshall Music to make sure you have a lyre screw that secures your lyre in place. Marshall Music can help you with a replacement if your lyre screw is missing.
[Here's an example of a lyre screw.](#)
- Trumpets [use this all-in-one bell attachment music holder](#)
- Mellophones use two pieces, the lyre (in the correct size) and a flip folio:
 - [Yamaha mellophones use this lyre](#)
 - [Mellophone Flip Folio](#)
- Trombones [use this all-in-one bell attachment music holder](#)
- Baritones use two pieces, the lyre (in the correct size) and a flip folio:
 - [Yamaha baritones use this lyre](#)
 - [Baritone Flip Folio](#)
- Tubas: [use this all-in-one kind that goes on your arm](#) (marketed for flute but works for tubas!)
