Canvas Parent Account

This Guide provides directions on **Obtaining a Pairing Code** and **Creating a Parent/Guardian Account**.

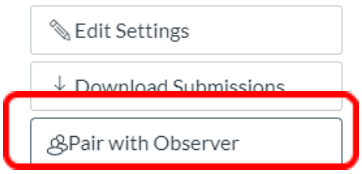

Obtain Pairing Code

1. To obtain a pairing code (needed to create a parent/guardian account), first the student needs to login to their Canvas account. The pairing code is found within the settings on the students Canvas account.

2. Click on the **Account** button in the left sidebar then **Settings**:

3. Click on the **Pair with Observer** button on the right side of the screen:

4. Copy or write down the Pairing Code for use in creating the Parent/Guardian account.

Canvas – Parent / Guardian Account Setup

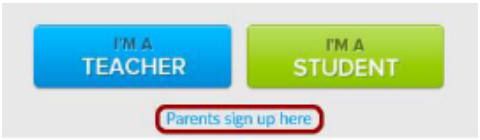

Create Parent / Guardian Account

1. To create a Parent/Guardian account go to: https://cabarrus.instructure.com/login/canvas

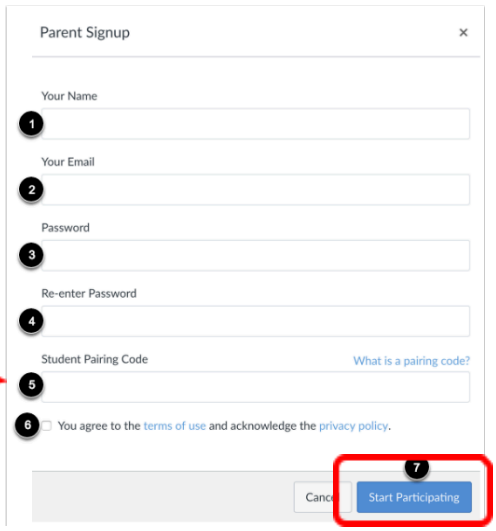

2. Click on **Click Here For an Account** in the login box:

3 Choose the **Parents sign up here** link:

3. Fill the signup fields and click **Start Participating**. You will notice one of the fields will ask you for the **Student Pairing Code** you acquired in the previous section:

Parent Canvas accounts can be accessed from a web browser or by logging into the Canvas Parent app.
