Drawing 2D and 3D shapes is an important skill for the last report card. We will practice all next week to master this skill, but please practice at home too. Make sure to continually review the four coins we learned a few weeks ago – penny, nickel, dime, and quarter. Your child needs to identify and name them for the last report card.

We will be having an Easter egg hunt on **Thursday, April 2nd**. We would like each child to bring in at least **12 plastic eggs filled with wrapped candy**. Please send in the eggs by **Wednesday, April 1st**. The Easter egg hunt will be worked into our schedule as the weather and time permits. We will not be having an “Easter party”.
