

Dear [Alumnus/Alumna],

A heartfelt welcome to our esteemed alumnus!

As we strive to enhance and strengthen our alumni community for a lifetime, I'm delighted to inform you about an exciting transition we've made to our platform. We've upgraded our alumni platform to provide you with improved engagement opportunities and a more enriching experience.

Our new alumni platform is designed to empower you to browse through photos from various moments, explore job opportunities, seek support, stay informed about events and reunions, and connect with your fellow alumni. You'll also have the opportunity to share your own achievements and stories, fostering deeper connections within our community.

Rest assured, all your existing information has been migrated to our new platform. On **Wednesday, 24th March**, you'll receive an email from our new alumni system, Alumnly, containing instructions on how to access your updated alumni site. With our new platform, the login process is now more seamless and convenient than ever before – just a simple click of a button. Upon logging in for the first time, we kindly ask you to take a moment to review and update your contact and other relevant details. This will ensure that we can stay connected and that your fellow alumni can do the same.

We strongly believe our new platform will greatly enhance our alumni community and contribute to its growth and strength. Together, we can make our alumni community better and stronger than ever before.

Thank you for your continued support and engagement. I look forward to seeing the positive impact we can create together.

Kind regards,
[Your Name, Title, School, Contact]
