II. Call meeting to order

Meeting was called to order by Jennifer Robinson, BSN, RN at 3:01pm.

III. Update on TISD Child Nutrition

III.A. A group of students, 4th thru 12th grade, participated in a taste testing at the high school on February 6th. Heather Oliver from TISD Nutrition hosted and served several different entrees: pizza, macaroni and cheese, asian chicken, muffins, and donut sticks. Heather provided a questionnaire for the students to complete for each entree that was served.

IV. Cafeteria Task Force Members

IV.A. Senior, Taylor Markham, spoke via zoom, about his experience being involved with the cafeteria task force. Taylor said, "At the beginning of the year the food being served in the cafeteria was very bland, and the same foods would be served on a regular basis. The taste testing went well and since then we have noticed the food has a better taste. We have more of a variety and flavor. Progress has been made, but we are not at 100 percent. I do suggest continuing to have frequent meetings and the opinions from the students. Overall, this has been a good experience."

V. Open discussion regarding current school nutrition

V.A. Heather Oliver will be at the next meeting to implement new menu items for next school year.

V.B. Advertisement for the lunch menu is in progress and will be completed by next school year.

VI. Recommendations

VI. A. The menu is not matching what the parents are seeing versus what the cafeteria is serving.

VI.B. In concern for diabetic students the nutrition online is not accurate.

VII. Announcements

VII.A. Future SHAC meeting date
TBA

VIII. Adjourn.

Meeting was adjourned at 3:22 pm
