All course suggestions with the name of a co-professor will have advantages because the role of the co-professor is the most important point of contact for the visiting professor as to provide the course together with him/her. Co-professors need to take an active role in class, i.e., provide lectures with local insight, lead discussions, prepare examinations, organize excursions and fieldwork, etc. Priority is given to co-professors who are proficient in English. Please note that it is not possible to act as a co-professor if one lacks a good working knowledge of English.

In the 2nd edition of International Summer University "UNISUM" shall be offered up to two courses in Albanian /Bosnian language.

Sincerely,

ORGANIZING COMMITTEE
