Hello everyone,
Earlier this week I approached the Chairman of the Unionist Party to inform him of my intention of resigning as Leader of the Unionist party as well as vacating my seat in Parliament.

The time between my appointment and now I've seen how busy my life has gotten recently. With an active promotion at my workplace as well as my studies on the side. I've realized that I don't have the time to effectively fulfill my role as leader.

I would like to thank my fellow colleagues in the Unionist caucus for the trust and support I've gotten throughout my short term. A special thanks to NotChoclatePlayz & NathandRothschild for guiding me and helping me out in need.

Thank you folks for my time.
