

Privacy Policy

updated, monday, march 1, 2021

By installing and using Our app, you agree to this privacy policy and give an explicit and informed consent to the processing.

What information do we collect?

Apps:

I do not collect any personal data by default, most of my apps don't even connect to the internet, the only time my Apps connect to the internet is when they are retrieving currency rates or syncing data with iCloud, anything synced to iCloud is securely stored on Apple's servers and is not accessible by me or anyone else as far as I am aware.

By clicking Convert Button, you agree to the term that file is being uploaded to a secure cloud based server for conversion, converted and then downloaded back to your system. After the completion of the process, your file is immediately deleted from the server. We do not share your uploaded file to any advertisement or data agency. For more details you can view our.

Email

When you send a message to my email your email address is visible on my email list, I only use it to respond to enquiries and to help solve problems, I never share any information I receive with anyone and never use it to send any marketing emails.
