(3) Announcements from Private Portion

Section 3 last updated on: June 5, 2022

3a) Premier City Reviews

Mountbatten was **rejected** with a 0-6 vote.

3b) Other Redacted Topics

For the 10th anniversary, we are **not** planning on doing any major events at this time.

We are in the process of choosing a new Admod building. There will be two stages of voting: a yes/no vote on **if** we want a new building, then (if yes) followed by a vote on **which** building we will stick with.

(4) Moderator Nominations

(5) Community Issues

5a) More Discord Changes - Frumple

5a i) Remove redundant text #voice-channels

The four redundant text channels for voice chats will be **removed**. Note that #meeting-live will remain as it is linked to the [Meeting] channel in-game.

5a ii) Add birthday notifications to TacoBot

Birthday notifications have been added to a new channel, **#birthdays**, in a new Community category. For the time being, we will
