

**READ OR BE READ TO**

It is very important that you read daily. Read or be read to each day this week. Read your favourite book, share stories with your family, or listen to an audiobook.

You can choose to record the title, the pages or write and a short summary in your homework book.

MATHEMATICS**MENTAL MATHS**

Complete Week 1 of Mental Maths. You may choose to complete on each specific day, or you may decide to complete multiple days in a session. You will return it in your homework book each Monday to be marked.

11		9
7		

Extra Activity - Magic Square

Each row and column of this square will add to 24. Can you find the missing numbers?

SCIENCE

Pick 3 fruits or vegetables that you have at home. Spend some time finding the answers to the questions below (through considering, discussing, observing or researching). Write your answers in your homework book.

- What kind of plant does your fruit or vegetable grow from?
- Can you see where your fruit/vegetable was attached to the plant?
- How does your fruit or vegetable produce seeds?
- Do all fruits and vegetables grow on flowering plants?

NAPLAN

Throughout the year, you will be completing NAPLAN practice in preparation for Year 5 NAPLAN tests.

This week we will show you 'Excel Test Zone' in class and how to complete NAPLAN practice on it. Once you have your login details, you'll be able to login any time at home to complete practice tests.

REMINDERSWeek 3**Mon 9.2**

4B SAKG

Tue 10.2

4A SAKG

3.50 - 7.30 pm Parent/Teacher
