Co-Curricular Activities (CCAs)

Dear Sec One students,

1. Welcome to Pei Hwa Secondary School! CCAs are a key component of students' holistic education. Through CCAs, students discover their interests and talents. CCAs also provide platforms for students to develop their character, learn values, social emotional competencies and other relevant skills to prepare them for future challenges.

2. Please note that it is **compulsory** for every secondary student to **have ONE Co-Curricular Activity (CCA)** throughout his / her years in secondary school.

3. Through active participation in your CCA, you will be able to:

    - acquire CCA-related skills and knowledge and apply them to your daily life;
    - work well in a team while caring for yourself, others, the nation and eventually the world;
    - develop your leadership and communication skills;
    - mould your character and build discipline and resilience;
    - appreciate and embrace cultural and racial diversity;
    - forge strong bonds and rapport with your teachers and peers.

4. Your CCA participation, achievements and leadership roles throughout your years in Pei Hwa will be tracked and recorded. In your graduating year (i.e. Sec 4 or 5), all your co-curricular involvement and contribution will be computed (in accordance to the MOE LEAPS 2.0) and a finalised Co-curricular Attainment (i.e. Excellent / Good / Fair) will be awarded accordingly. The level of attainment will be converted to a bonus point(s), which can be used for admission to Junior Colleges/ Polytechnics/ Institutes of Technical Education.

5. On 10 January 2026 (Saturday), you and your parents will get a chance to find out more about the CCAs. We will also conduct a briefing to inform you and your parents regarding MOE LEAPS 2.0, the CCAs offered in our school, as well as the CCA allocation exercise on the same day.
