# Script

*One week ago...*

*Two atoms combine in Needle's cake, causing a windstorm. Needle's Cake is shown causing the windstorm on Earth and Goiky. Teardrop gets blown into a tree, which breaks, and she lands sideways on a cliff.*

**Pin (to Teardrop):** "What?"

The scene switches to Leafy and Needle talking behind a rock to protect themselves from the strong winds.

**Leafy:** "Yesterday, it was sunny...**now it's a windstorm!** How did that happen? Hold on a second...this happened because of **your cake! Didn't it, Needy!?"**

*Needle slaps Leafy.*

**Needle:** "Don't call me Needy!"

**Leafy:** "CALM DOWN! What's wrong with calling you Needy, Needy?"

*Needle slaps Leafy again.*

**Leafy:** "Oh, so you want a slap fight now, don't you, Needy!?"

*Needle slaps Leafy **again**.*

**Leafy:** "Well, I can slap, TOO!"

*Leafy slaps Needle really hard, making her fly away due to the heavy winds.*

**Leafy:** "Uh oh!"

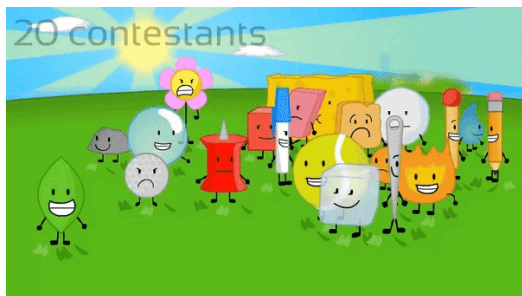

**Snowball:** "She deserved it! It was *HER* CAKE!"

*Needle pops her own cake.*

*The winds halt; Pin, who is standing on a wall, falls and screams.*

**Pin:** "Ahhh!"

*The intro plays.*

**Announcer:** "Gloop gloop, doot doot! It's time for Cake at Stake for the girls."

*The Cake at Stake intro plays.*

**Announcer:** "Girls, it's your first time *losing*. There are ten of you now, but there will only be nine later."

**Bubble:** "Ooh, I'm so noir-vous!"

*The number of votes (eight) is shown on the screen.*

**Announcer:** "Okay. So we got eight votes. Well, I wanted to make an ice cream cake, but I forgot the ice cream. So I made a **chunk of ice** again."

**Pencil:** "NO!"

*Pencil faints.*

**Pin:** "OMPF! Overreacting!"

**Announcer:** "JK! I have an ice cream cake. If you get no cake, you leave BF Dream Island. Pin, you have a **Win Token**. Would you like to use it now?"

**Pin:** "Uh, no. I mean, there's nothing mean I—"

**Announcer:** "Yeah, yeah, we know! Bubble is safe at zero votes. (In a deep voice) **Again.**"

**Bubble:** "Yoy! Ice cream cake!"

*Bubble fails to catch the cake in time, and the cake pops her.*

**Flower:** "IF YOU ELIMINATE ME, I'LL CRUSH YOU WITH MY **ANNOUNCER CRUSHER!!!!**"

**Announcer:** "Well, luckily for both of us, you are also safe with no votes."

*Flower successfully catches her cake and smirks devilishly.*

**Announcer:** "Golf Ball, Ice Cube, and Teardrop..."

**Golf Ball** and **Ice Cube** (while **Teardrop** looks nervous): "Yeah?"

**Announcer:** "You are all also safe with zero votes."

*The three catch their cake successfully.*

**Golf Ball:** "My chances of winning have gone from 5.882% to 6.25%!"

**Announcer:** "The rest of you have all gotten at least one vote. The next one safe is Needle, with only one vote."

**Needle:** "Yeah!"

*Needle catches her cake.*

**Announcer:** "Pin is the next safe with one vote as well."

**Pin:** "Yes!"

*Pin catches her cake.*

**Pencil:** "Am I safe too?"

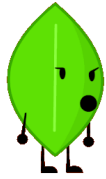

**Announcer:** "Yes, Pencil, with one vote, you are also safe."

**Pencil:** "Yay!"

*Pencil fails to catch her cake, and it splats in her face.*

**Announcer:** "Leafy and Match, you are the bottom two."

Leafy:

Announcer: "No need to get all worried, Leafy, you are the last one safe with two votes."

Pencil and Match: "WHAT!?"

Announcer: "Sorry, Match, but with three votes, you have been eliminated."

Pencil: "OMG, Match, you've been eliminated!"

Match: "I know it's like, hard, but you have to keep, like, going! You have to for like like like like the both of us!"

Announcer: "Sorry, Match. You didn't not ain't not get no any none of nothing. Let's send her to the TLC!"

Leafy: "Wait, you always say '*the* TLC'. Is it an object?"

Announcer: "You mean the Tiny Loser Chamber? Duh! Of course it's an object!"

*Match gets flung by the Sender Scoop Thrower.*

**Coiny (inside the TLC):** "Uh oh! It's closing!"

**Woody:** "AHHH!"

**Coiny:** "Stop screaming, Woody!"

*The Tiny Loser Chamber fully closes.*

**Announcer:** "The fifth contest is to cross a bridge—the team with more people who crossed wins.

The first person to cross the bridge wins a Win Token. And go!"

**Leafy:** "I don't know about you need **ULLLLLLLAAAH**, but that bridge doesn't look so strong! And I can't see the bottom of that gorge!"

**Flower:** "Go, Bubble!"

*Flower pushes Bubble onto the bridge.*

**Bubble:** "Woi-woa-ay-uh! Hey!!"

**Flower:** "Bubble, stop wasting time and **CROSS THE BRIDGE!!!!**"

**Bubble:** "Sorry, Flower!"

*Bubble slowly walks across the bridge and eventually makes it across. Bubble gets a win token.*

**Pen:** "Looks like it's safe! Let's go together, guys."

**Blocky:** "Alright."

*Eraser, Pen, Snowball and Blocky all cross the bridge together.*

**Leafy:** "Looks like the other team's ahead! Ice Cube, why don't we cross the bridge together? And Needle, you too! Let's all cross together!!"

**Needle:** "Yeah!"

*Leafy, Needle, and Ice Cube all cross together. Pin also manages to cross successfully.*

**Pin:** "That wasn't hard!"

*Teardrop also arrives at the other side of the bridge.*

**Leafy:** "Good job, TD!"

*Leafy high-fives Teardrop.*

*Tennis Ball casually walks across the bridge.*

**Snowball:** "What's taking those WIMPS so LONG!!"

**Tennis Ball:** "I don't know."

**Pencil:** "I'm coming, Bubble!"

*Pencil crosses fast and meets up with Bubble.*

*Golf Ball tries to cross the bridge, but Spongy also tries to cross the bridge at the same time, and due to Spongy's weight, the bridge breaks, and they both fall to the bottom of the gorge.*

**Spongy:** "Uh oh!"

*Fiery and Flower are the last two left*

**Fiery:** "I-I'm afraid of heights! I can't do it!"

**Snowball:** "Come on, Fiery!"

**Flower:** "Somebody, carry me across the bridge!"

**Leafy:** \*sigh\* "Fine..."

*Leafy carries Flower across the bridge, and the girls win. The boys' team loses.*
