A Happy Mid-Autumn Festival

It was the Mid-Autumn Festival today. My father usually works out of town. On the day of the Mid-Autumn Festival, my father came back to reunite with us, so you can imagine how happy our family was.

In the evening, I ate mooncakes with my parents. There were many flavours of mooncakes, including strawberry, red bean paste, egg yolk and so on. After taking a bite of mooncakes, my teeth were covered with sweet fillings. They were so delicious! My parents and I sat in the living room, and we ate mooncakes while chatting. After eating the mooncakes, we went to the balcony to watch the moon. But it was cloudy today. Countless stars were hiding behind the clouds, which covered half of the moon, so it was a pity that the round moon could not be seen.

This Mid-Autumn Festival was really great!
