**Elite CurrenSea Wins Best Sale-Side-Analysis-by-FXStreet**

The results of the 2018 FXStreet award have been released on february 16th. Nenad Kerkez and Chris Svorcik from Team of Elite CurrenSea won "The Golden Pip" as **"Best Sell-Side Analysis Contributors"**!

Nenad and Chris were approached for a comment:

***"It is really a huge honor to win the Fxstreet.com Award. The competition was fierce but this award will ensure that we are committed to providing the best possible analyses and trading ideas. That we can promise!"***

***Nenad Kerkez aka Tarantula FX, creator of award-winning CAMMACD method.***

***"I personally would like to thank all traders for their votes. Receiving such positive feedback from the trading community is a huge motivation to keep working on the development of our ECS trading tools and education. This year promises to be the best ever and we are excited to share our experience and market views."***

***Chris Svorcik, creator of Simple Wave Analysis & Trading method***

The award is a recognition of Nenad and Chris' for helping traders with their analysis, market views, and education. Team of Elite CurrenSea remains committed to offering the best analysis, tools, and methods, all while building a strong group of traders that could function for the common benefit - more green pips!

## **About the fxsteet award**

FXStreet award is back for the 8th consecutive year, where a leading fx resource rewards the best analysis, educational content and contributors during the previous year. The winners in each of the 7 nominations were selected by voting.

This is not the first Team of Elite CurrenSea prize from FXStreet. In 2017, Nenad Kerkez was noted as "Best Video Podcaster" for consistent contribution and authorship of "US Elections" best podcast series.
