Call To Order

Pettiness Prayer	Suzanne
Twelve Traditions	Candice
What is the Group Conscience Meeting?	The AA Group Conscience is the collective voice of the members of an AA group, from any part of AA's service structure. The Group Conscience is a shared decision reached by a careful and respectful process where everyone has a voice, and everyone listens. The process is used whenever a considered decision is required. The goal is to reach a position of 'substantial unanimity". This means that the decision made is one that all support or are prepared to accept.
7th Tradition	An important announcement regarding the 7th Tradition: "In keeping with AA's 7th Tradition, please take a moment to consider the impact North Hall has had on your life and make a generous contribution as I pass the basket. All money collected goes to paying rent, utilities and other expenses. A donation of $2 or more can help us meet expenses and to carry the message of AA. (READ ONLY IF NON-AA GUESTS HAVE IDENTIFIED THEMSELVES: Non-AA guests are asked to NOT contribute.)" The 7th Tradition states, "Every AA group ought to be fully self-supporting, declining outside contributions." Our Host will now put info into the chat about contributing to North Hall by Cash App or by sending a check.

Monthly Group Conscience Meeting Agenda

1	Group inventory notes and inventory committee election		Group Inventory 2026 The steering committee has reviewed and selected these 3 items from the inventory. We are looking for a committee of 2-4 people to help bring back solutions to the Steering Committee. We feel some action should be taken from these items in order to help North Hall stay healthy and attractive. Item 2. Is our group attracting alcoholics from different backgrounds? Are we seeing a good cross section of our community, including those with special needs? We are seeing a good diversity of members, for example the BIPOC meeting that has helped bring out of people of color in our membership and the Genderqueer meeting recognize other people of the community. Can more be done here? The women's meeting recognizes that we have a women's + meeting. How can we get that message out there more? We are welcoming to outreaching to other alcoholics. North Hall may consider flyers to go to CCFAA and mailed to all groups for - NH Anniversary Meeting - NH Speaker meetings (quarterly flyer) - NH Alcathons - BIPOC and Genderqueer meetings - And more outreach to our greater AA community. Item 3. Does our group emphasize to all members the value of keeping up with the kitchen, set up, clean-up and other housekeeping chores that are essential for our twelfth step efforts? Involve sponsees to help with the upkeep of the halls.

			Get various NH meetings to clean up after a meeting on a routing basis and encourage people to stay and help. Some meetings this will work and others it will not. Suggestion that may help; An other fellowship has a rotating list that includes 4-5 people to participate and there was a list that they followed. Maybe the cleanup chair can call on these people to come show up. Clean up Chair can schedule cleanup on days that work best for them. Clean up doesn't always have to be Saturdays at 10am. There was discussion on hiring a company person(s) that the Hall will pay for the cleanup, or add a new contribution can for donations for cleaners. A problem is the amount that gets cleaned on a weekly basis has been a challenge because there are not a lot of people that show up. Would it help is we had better cleaning supplies such as mops etc. Check into upgrading the cleaning supplies and finding ample times to get the cleanings done. Suggestion to encourage people to help clean the Hall for their sobriety month. This has been added to the announcements. Item 4. Do new members stick with us, or does the turnover seem excessive? If so, why? What can we do as a group to retain members? Some people don't want to come to north hall because they are being hit on, 13 steping. We must to remember we are here to heal our wounded not take advantage of them! Maybe Read safety statements from the literature. As individual members it is our responsibility to step in and say something if someone is uncomfortable.

			We should make time discussion for safety and predatory behavior to be had. Workshops? It has been noticed we have a drop off of members between 5-15 years that drop off and disappear. Look into exploring why this happens and what the other groups do to fix this. The phone works wonders. Let's use it to reach out to people we have not seen recently. We need to find out why people are leaving meetings after coming here for a while. Focus on more reaching out. Regarding filling service positions, let's look ahead 3-4 months to help people be mentored into the position before the elections happen. Identify a pattern to find out why people fall off and maybe a survey. Bring more intimacy as a group and find the connection and promote more in-person connection. When I first started coming here there would be a lot of new folks coming from recovery houses. A common theme once people start getting a certain amount of time is that people have gone from participating at group level and they have found a drop off. Are there certain demographics being represented at a group level? Move elections to November to assist more people to get involved in service. We would have 2 months to fill all positions. We are trying this out this November. Maybe we need to update the Procedure Guide. Are there too many service position? Looking for volunteers to review the suggestions in the group conscience and to take it to the Steering committee. Three volunteers in the Hall. Call Al E if you have questions regarding this. Vince, Jess, Paul step up.

Talk to Roger if you are curious! Central Office and Bookstore rely on a small staff and volunteer participation from AA members. Help them mail fliers to groups. Office: M-F 9-5, Saturday 10-2. 3643 Bradshaw Rd. Ste. G, PMB 176, Sacramento 95827. For information about anything: **aasacramento.org/** **PLEASE CONSIDER** becoming a regular monthly donor to CCFAA through **Grateful Givers** or an annual giver through the Birthday Club. aasacramento.org/shop/ Contributions are tax-deductible; can be made on the website or through Venmo, PayPal, cash, or check. The Board is offering a Road Show visit at each AA group's Group Conscience meeting (including North Hall) for a 15–20-minute conversation about the services of CCFAA. * At the next Delegates' Meeting we will vote on digitizing and emailing *By the Way* to save postal, printing costs. *By the Way* (volunteer help always welcome) lists Alcathons, AA Birthdays, and Speaker Meetings. **Let Roger know** if you would not be able to read By the Way if it were only available online or by email. https://aasacramento.org/by-the-way-newsletter/ Expenses cover rent, utilities, special workers in the office, postage, and purchase of goods to sell. Revenue is from AA group contributions, Grateful Givers individual monthly donations, and goods to sell (medallions and literature). Through September, year-to-date revenues are $261,381, under budget by $7,230, mostly due to lower group contributions to CCFAA, but it's gotten better. Through September year-to-date total expenses are $182,896, which is under budgeted expenses by $7,383. Reduced expenses have offset the shortfall in income from group contributions. Hence, through September, year to date *net deficit* is $3,645, better than budgeted. Only half of the registered groups make regular contributions to CCFAA through 7th Tradition. Year to date, North Hall has given $494, but we have not made contributions in recent months. Projected 2026 results and proposed 2027 budget: Total Revenues projected for 2026: $346,091; budgeted for 2027: $367,525. Group contributions projected 2026: $128,605; budgeted 2027: $126,000. Gross profit from goods sold proj. 2026: $240,525; budgeted 2027: $252,200. Total Expenses Projected 2026: $242,650 budgeted 2027: $258,785. Net income (deficit) Projected 2026: -$2,124, better than expected; budget 2027: -$6,585, Telephone hotline. In September there were 350in-bound calls to the Teleservice (3,059 year-to-date) and 288 (2,873 YTD) to the Tele Desk. Whether you do it on site during office hours or from home, answering the hotline is a valuable service opportunity! Min. 6 months of sobriety.

			4) Audit for Q3 was completed and no discrepancies were found. 5) We reviewed some of the annual position bullet point terms. 6) Claire G stepped down from At-Large position. Election requested
5	Building Committee	Suzanne & Brenda	The building chair needs to reprogram the thermostat. New kitchen light fixture. Wires have been run for the water dispense. Found three ceiling fans in boxes. I still need to order Chuckle's plaque.
6	Safety Committee	Adèle	Recommendations for Safety protocols:  NORTH HALL / MEETING SAFETY **DISRUPTIVE BEHAVIOR** What to do • What to say **Never place yourself in physical danger.** The Meeting Secretary should take the lead when possible. Other members may help if they feel comfortable and safe. **1 IF THE BEHAVIOR IS DISTRACTING, BUT THE MEETING CAN CONTINUE…** Examples: occasional interruptions or talking over others. • If it can safely wait, speak with the person immediately after the meeting, away from the larger group. Have another trusted member nearby. • Describe the behavior, its effect, and what needs to change—not the person's character or motives. • Try: "When you talk while someone is sharing, others cannot hear. Please let the speaker finish." **2 IF THE BEHAVIOR INTERRUPTS THE MEETING…** Examples: yelling, loud conversations, or a dog repeatedly barking or growling. • The Meeting Secretary should speak calmly and loudly enough to be heard. • Say: "Please respect those sharing. If you need to talk, please step outside." • For a disruptive dog, ask its handler to take it outside. • If the disruption continues, get help from trusted members. Ask the person to leave if necessary. Do not physically remove anyone. **3 IF SOMEONE IS BEING HARASSED OR THERE IS DANGER…** • For bullying, unwanted sexual attention, or other harassment, alert the Meeting Secretary promptly. Do not wait until afterward if someone feels unsafe. • For threats of harm, violence, or a weapon: call 911. Do not wait for the Secretary. • Move away from danger. Help others only if you can do so safely. **AFTERWARD: REPORT AND FOLLOW UP** **Member → Meeting Secretary → North Hall General Secretary** • The Meeting Secretary records what happened and reports it to the North Hall General Secretary. • Ask your sponsor or other trusted members for support as needed. • If the behavior continues, refer it to the Steering Committee or group conscience to agree on next steps. **THROUGHOUT** Stay calm. Give people space. Keep exits clear. Do not argue, touch, restrain, corner, or follow anyone.
