Tools to use to train new cadets:

Blooket:
Blooket is a little more fun than Kahoot and can get cadets more involved. We didn't make any of these though, so some questions might not pertain perfectly to our battalion.

Kahoots Library:
Our battalion has made a lot of Kahoots, you can find them all here, or by searching RBRTFR

Jeopardy:
Open this link below and type in the password below if necessary. To play you need to display it on a big screen so use the projector in one of the classrooms. Split the cadets into teams -possibly by platoons- to play the jeopardy.

The password to get in is TUHSDJROTC to get into the Jeopardy.
