July 24, 2023

Greetings, EC Families!

We hope you are enjoying your time away from school and connecting with family and friends. We have been using this time to plan for the 23-24 school year. We are planning for a safe and welcoming environment for all students, and more information will be forthcoming in our August family communication bulletin.

Returning Families:

If you have not completed your child's re-enrollment for the 2023-2024 school year, please do so as soon as possible. If you have been notified that you are missing proof of residence, please email the documentation to Cathy Traniello at ctraniello@phacs.org. If you need assistance with the process, call Cathy at 617.284.7811.

New Families:

If you have been notified that you still need registration documentation, please contact Cathy as soon as possible at 617.284.7811 or ctraniello@phacs.org.

If you want to speak with me, please contact Cathy Traniello ctraniello@phcs.org to schedule a meeting. Have a great summer!

All Families: CORI

Please check in the main office to update your background check information on file. You may stop into the main office and see Cathy or Maida to complete the form. Don't forget your ID. If you plan to support the classroom and attend field trips, this should be done yearly at the start of the school year.

Healthy Note for the Summer:

- We are preparing for the 2023- 2024 School Year; updated physicals are needed! If you still need to do so, please send a copy to nurses@phacs.org. Your child's physician can also fax a copy directly to 857-575-1274.
- One simple formula can help your students stay healthy over the summer and be ready to learn when school starts: "5-2-1-Almost None"
