Color Words: all

Social Studies/Science: Our unit this week is on "Bats." We will be discussing the different kinds of bats, their habitats and characteristics.

*****Special notices*****

If you have not sent the \$2 for the Halloween parties on the 31st, please do so. Please listen to your child read to you every night and continue to read their library books, they can go to the library every day to get a new book. Remember for book character day, if you want your child to be in the costume contest they have to have a book that goes with their character. Have a great weekend!!!
