

Qualifications – Board of Directors Members Must. . .

☐ Be willing to serve a three year term,

Board of Directors Application

The Georgia Technology Student Association's Board of Directors has positions available. The association needs dedicated technology educators to volunteer to fill these positions. GA TSA Board members play a critical role in the successful planning and production of the five state conferences held each year by managing the various committees of the association. The board works with the Executive Director, State Program Specialist, and State Officers, by establishing policy, direction, and managing competitive events. This is a great opportunity for professional growth and service to the association. Please consider volunteering.

☐ Be an advisor of an active (oval of their local administration. Georgia TSA chapter in good standing, at least in their second year. ence (such as assisting with an event or activity at a conference),
If you are interested in serving as a reform and upload it to the Document	member of the Georgia TSA Board of Directors, please complete this Upload section of EMS.
