Status: Accepted

Feedback (Why accepted, why rejected?):

- Followed due process and applied extra effort in minting requested ‘**Learner Token**’ from the document submitted.

- Although the document stated “**specific token-gated content and spaces with the contributor token**”, contribution opportunities are yet to be enabled and thus cannot be fully accessed.
- Made an assessment of the Deep Funding Academy website and so far, real progress has been made and more to be even implemented.

If rejected, suggested changes:

- I suggest to
