

Pierce Keys to Success

Be Ready to Learn

Be Responsible

Be Respectful

Be Safe

Online Norms

Be Ready to Learn

- Mute yourself unless you are invited to unmute.
 - When you are not muted, speak clearly.
 - Online meetings are for Pierce students only.
- When participating in an online meeting, give your full attention to that meeting.
- Please keep your camera on. Should you feel uncomfortable doing this, speak to your teacher and they will thoughtfully address your concerns.

Be Responsible

- Make sure people in your home know you are in a video chat.
- Use only your own name when logging in. (No silly nicknames.)
 - Do not alter your own screen image in any way.

Be Respectful

- We are all new to this; be patient, assume the best.
- School rules, classroom respect, and decorum apply during all online interactions.
 - Be appropriate and focused if you use the chat.

Be Safe

- Keep meeting links private. Do not share links to your meeting with anyone else, your teacher will do that.

- When the online meeting is over, leave and do not reenter.
