

Confidentiality and Intellectual Property Protection Policy:

At **Developers Capital Net, LLC**, we hold the highest regard for confidentiality and the protection of intellectual property. We understand the importance of safeguarding our clients' proprietary information and ensuring the security of their business secrets. Our commitment to confidentiality is integral to our ethos, and we adhere to stringent policies to maintain the trust and confidence of our clients.

1. Confidentiality Commitment:

We pledge to maintain the strictest confidentiality regarding all information shared with us by our clients, including but not limited to proprietary business processes, trade secrets, product ideas, and any other sensitive information.

2. Limited Access:

Access to client information is restricted only to authorized personnel who require it to perform their duties effectively. We ensure that all employees and subcontractors sign non-disclosure agreements (NDAs) to uphold confidentiality obligations.

3. Intellectual Property Rights:

We respect the intellectual property rights of our clients and recognize their ownership of all concepts, designs, and materials developed during the course of our engagement. Any intellectual property created as part of our services is transferred to the client upon completion and full payment, unless otherwise agreed upon in writing.

4. Prohibited Use of Information:

We strictly prohibit the use of client information for any purpose other than the fulfillment of our contractual obligations. Under no circumstances do we sell, share, or exploit client data for personal gain or any unauthorized use.

5. Employee Training and Awareness:

All employees undergo comprehensive training on confidentiality policies and procedures to ensure they understand their responsibilities in protecting client information. Regular reminders and updates are provided to reinforce the importance of confidentiality.

6. Reporting Breaches:

In the event of any suspected breach of confidentiality or unauthorized access to client information, we have established procedures for reporting and addressing such incidents promptly and transparently. We are committed to cooperating fully with clients to investigate and mitigate any breaches.

7. Continuous Improvement:

We are dedicated to continuously improving our confidentiality and intellectual property protection measures through regular reviews, feedback from clients, and advancements in technology and best practices.

8. Client Assurance:

Our clients can trust that their confidential information and intellectual property are safe in our hands. We are committed to upholding the highest standards of confidentiality and protecting their valuable assets with the utmost diligence and care.

We adhere to all relevant laws and regulations governing confidentiality and intellectual property rights in the United States. Our policies are designed to ensure compliance with legal requirements, providing our clients with additional assurance of the protection afforded to them under the law.

By adhering to these principles and practices, **Developers Capital Net, LLC**, reaffirms its commitment to maintaining the confidentiality and protecting the intellectual property of our clients at all times.

Developers Capital Net, LLC, is committed to maintaining the highest standards of confidentiality and intellectual property protection for our clients.

Should you have any questions or concerns regarding our policies, please do not hesitate to contact us.

Best Regards

Developers Capital Net, LLC.
