Provide Greater Access to STEM Education to All Students

Haofeng L.

Tutor
San Antonio Math Include

Louis is part of the Class of 2024 at BASIS International School Guangzhou. He has been in BASIS since sixth grade and enjoys the advanced STEM education provided by the school. BASIS has stimulated his potential and interest in STEM courses such as mathematics. For interest, he has participated in a lot of competitions such as AMC, physics bowl, HiMCM, and Euclid. He is a member of the Prefect Body, which is a student-led organization in the dormitory that is dedicated to organizing colorful school events and helping younger students in the school to learn their weak subjects. He enjoys teaching and wishes to help others with his experience.
