This document covers various heavy topics, such as sexual harassment, emotional abuse, etc. If you find any of this distressing, there will be a TL;DR provided.

Who is Holly?

Holly, also stylized as •Holiday• on a few socials, is a 18-year-old (her birthday is March 25th of 2006) multimedia content creator, most notable for her FNF: [Dave and Bambi](#) mods and covers, such as [Soda Pop](#) and her various [Ferocious covers](#) which have enjoyed varying popularity. Her [YouTube channel](#) has 1.22K subscribers with 51,720 views total, previously making [Sparta Remix content](#) as well under her former alias.

Holly drawing NSFW of people's characters without consent

Over the course of 2022 to 2024, Holly drew NSFW of other people's sonas or characters, usually aged around 13 or 14 *without* their permission, and with usually little to no proper relationship with any people involved, while being much older as she was 16-17 at the time. Descriptions and elaboration will be provided with every image in this section. And to clear any additional confusion, any other characters you may see in the images is just Holly drawing depictions of herself.

2022

[SharkDog](#)'s former sona, [Bloper](#), while he was aged 13 at the time.

[CupTheMug](#)'s fursona, Mixzee, while she was aged 14-15 at the time.

2023

[silkycell](#)'s former sona, Scrawny, while she was aged 13 at the time. Additionally, Holly [had flirted with Silkycell](#) months afterwards despite the huge age difference (14/17).

[strudel-fatpaws](#)' sona, [Razby](#), while she was aged 14 at the time and known as [razzytism](#) at the time.

[Clyde](#)'s former sona, while she was aged 14 at the time and prior to Holly receiving the design and making it her sona.

[cloudscarrie](#)'s sona, [Ditzzy](#), while she was aged 17 at the time.

[RubysArt](#) 's sona, [Ruby](#), while she was aged 16-17 at the time.

[Zevisly](#)'s character at the time, [Sunset](#), which was given to Holly on the terms that she did not use it for any adult purposes.

Red's underage character, Kat, who was aged 13 at the time. Along with Holly's self-insert, Snowy, being aged 18.

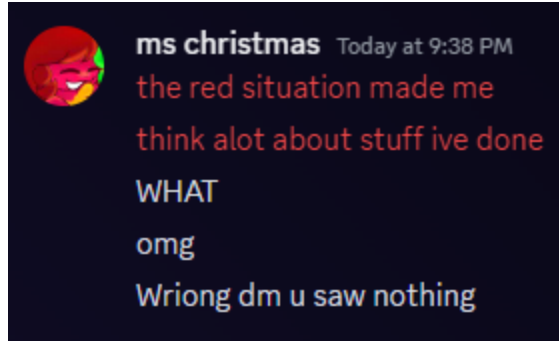

Red's sona, who was aged 16 at the time. For more context, refer to their side in this document.

2024

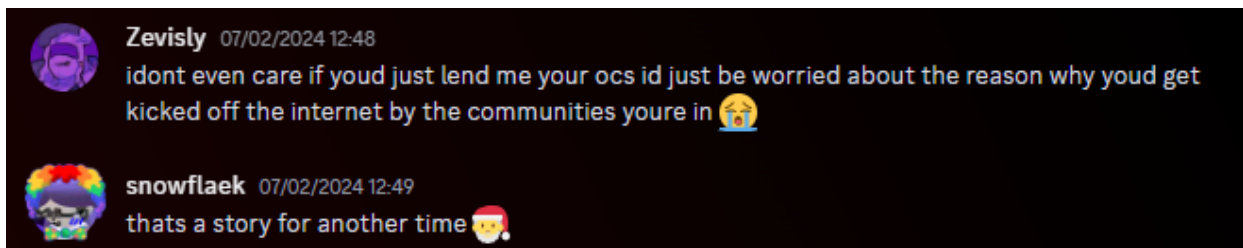

[Zevisly](#)'s sona at the time, [Lazuli](#), while he was aged 13 at the time. Holly had shown attraction to his sona many times despite being much older, she was [given the design temporarily](#) in December 2023 before it was returned back to Zevisly.

[Additional evidence that can prove Holly drew these images:](#)

For those unaware, Holly is referring to a former member of the Dave and Bambi community, TH3_R34L_D34L, who was outed back in September of 2023 for drawing nonconsensual porn of other people's characters.

Bing's side

Hi, I'm Bing (formerly Byga). I am currently aged 16 as of writing this. I'd like to share how my relationship with Holly went over the past year.

I first met Holly when I was aged 14 on April 24, 2023 through the My Silly World server, through an announcement she made asking to see server members sillysonas. Our relationship began casual, with us frequently discussing common interests we had and showcasing our creations to one another. She would occasionally compliment me and say how much she enjoyed talking to me, which I didn't think much of at the time, considering we were pretty good friends for the time being.

Bing 04/24/2023 7:06 AM

SHOW ME ALL YOUR SILLYSONAS, ALL OF THEM!

•Snowy• 04/24/2023 10:38 AM

Didn't know you had a sillysona

Bing 04/24/2023 10:39 AM

i do!

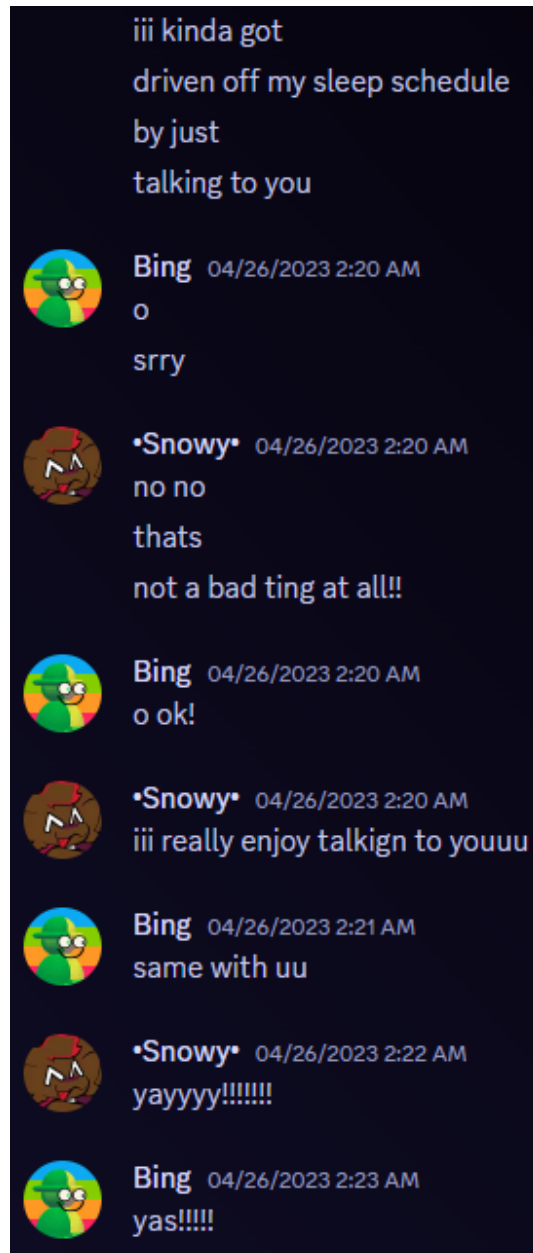

•Snowy• 04/24/2023 10:39 AM

They're cute

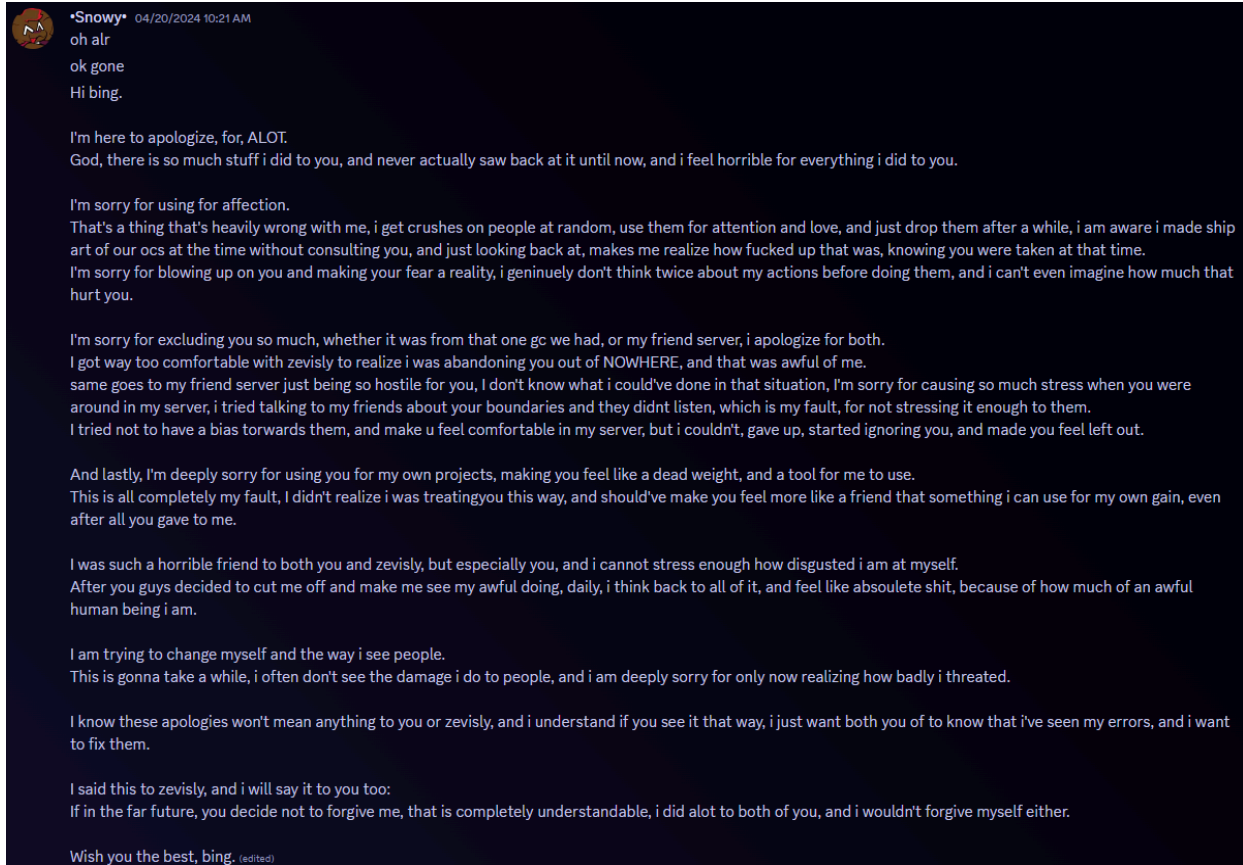

Bing 04/24/2023 10:39 AM

ty!!

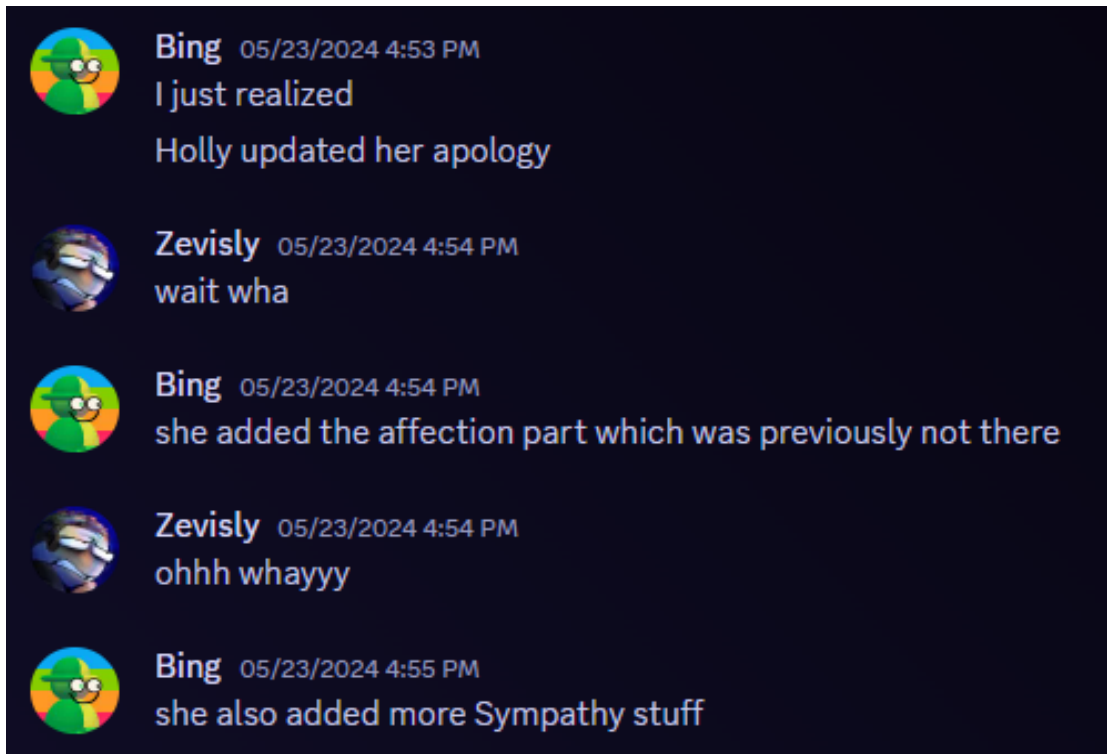

Me and **Zevisly** made the decision to cut off Holly on April 23, 2024 (woah, coincidence!). I would later submit a statement to Holly explaining my reasoning for making this decision, and a few days later she would respond with her own statement. You can read both of our statements [here](#).

1. yes you are Done in my Book. For now and possibly for a very long Time.
- 2.
3. One
4. the First time we met, you used me for Affection, and Guilt tripped me into playing along with your Game, and From which scaring me into not informing you about my at the time Partner. you Unconsentually made shipart of Us, and ****Porn**** of bittersweet (Summer) when you First got them. if you were Looking for something genuine, which Was not possible given my circumstances, you would Not discuss to me Your apparent feelings for several Others. when What you made me fear inevitably hit You, you responded very Agressively and put me into a bad state of Mind, only to pull me back in As if nothing had ever Happened.
- 5.
6. Two
7. you find Mutual grounds with Zevisly as he seems to share common Interests with you. aware of his Experience in art and his generosity, you make all too common Requests to him for drawings of your Ocs. as this Habit develops, you begin to Ask for more and More, but you are not Satisfied. it Seems on an outsider view that zevisly Is simply someone for you to get Art and Ocs from. on the other Side, our Mutual ground withers slowly as it is Neglected and of no use to you. as Your grounds with zevisly Continue to develop, you get all too Comfortable with yourself and decide to Bring them into, what I would Describe as, your personal Garbage Chute. bringing them into your Mannerisms and making them a Comfortable guest, my Ground with them suffers as you Constantly urge them to participate in your Activities. feeling Excluded, i make my Move and Join in on the Activities. but what i Experience is anything but Pleasant.
- 8.
9. Three
10. what i See after the rough introduction is something i Do Not want to see Again. one of my Closest friends pulled in with people of Questionable Mannerisms. people Who's time should have came Long ago, but were given too much Leeway. these people you have Denied even yourself, despite what you are Made of on the inside. but your Bias and false hope gives them the Leeway they Need to continue with their questionable Prescence. after Suffering the toll of my Sight, I make my Flee from the trash Chute. the Amount of dissapointment and Disgust felt was Immesurable.
- 11.
12. Four
13. for The the past while, you have made me Feel like nothing But a burden and a tool to do what you Cannot do on your Own. we now Find ourselves free Of this filthy Abode.
- 14.
15. End
16. take this Resolution as a Lesson, and learn Well.

I'll be going over everything mentioned in each statement in chronological order. I have since learned that Holly's statement to me is in no way genuine and she has made no attempt to improve from her past actions. I also believe this is true considering in her initial statement to me, she did not take accountability for many of her actions mentioned in my statement, and she still has not taken accountability for all of her actions. I will be additionally going over everything she refused to take accountability for.

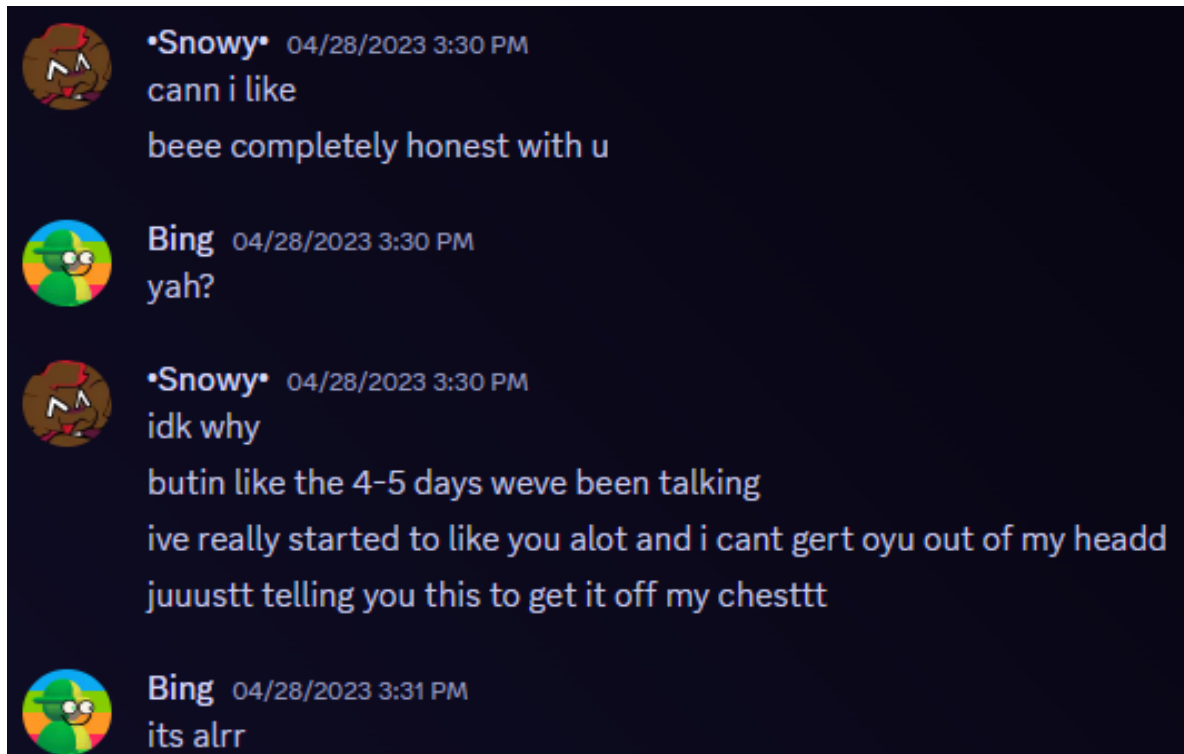

One: Taken Era

Very shortly after we first met, Holly decided to confess her feelings to me. Just a day prior, one of my close friends had confessed their feelings to me, and we began dating. Considering I was already taken, I decided to give a neutral response. The reasons for me giving a neutral response as opposed to a straight yes-no answer are explained below and in my statement to Holly.

the First time we met, you used me for Affection, and Guilt tripped me into playing along with your Game, and From which scaring me into not informing you about my at the time Partner. ~~the First time we met, you used me for Affection, and Guilt tripped me into playing along with your Game, and From which scaring me into not informing you about my at the time Partner.~~

(crossed out section for later)

Holly would constantly vent to me about her lack of a partner, as well as just her general jealousy for other people. Seeing this, I tried my best to always be there for her and help keep her mood up. She took heavy advantage of this by attempting to pressure me into dating her, as well as making me feel guilty for not being available for her.

Context to the 2 images below:

Holly would constantly drag me into sleep calls in DMs with her. This would cause my sleep schedule to spiral, as well as my mental and physical health. For some reason, she tried to make me feel sorry for her by stating she was apparently facing the same issues I was, but worse. Kinda feels like you're disregarding the obvious problem with the sleep calls you drag me into.

And y'know
I don't think this sounds right at all but the only thing that could help me with this is having a partner that loves me as much as I love them
But that's never happening
It never has

You can't convince me this is any less obvious than it really is.

Attempting to make me feel guilty for not being available to VC with her.

Bing 05/11/2023 7:13 AM

oo okii

o btw

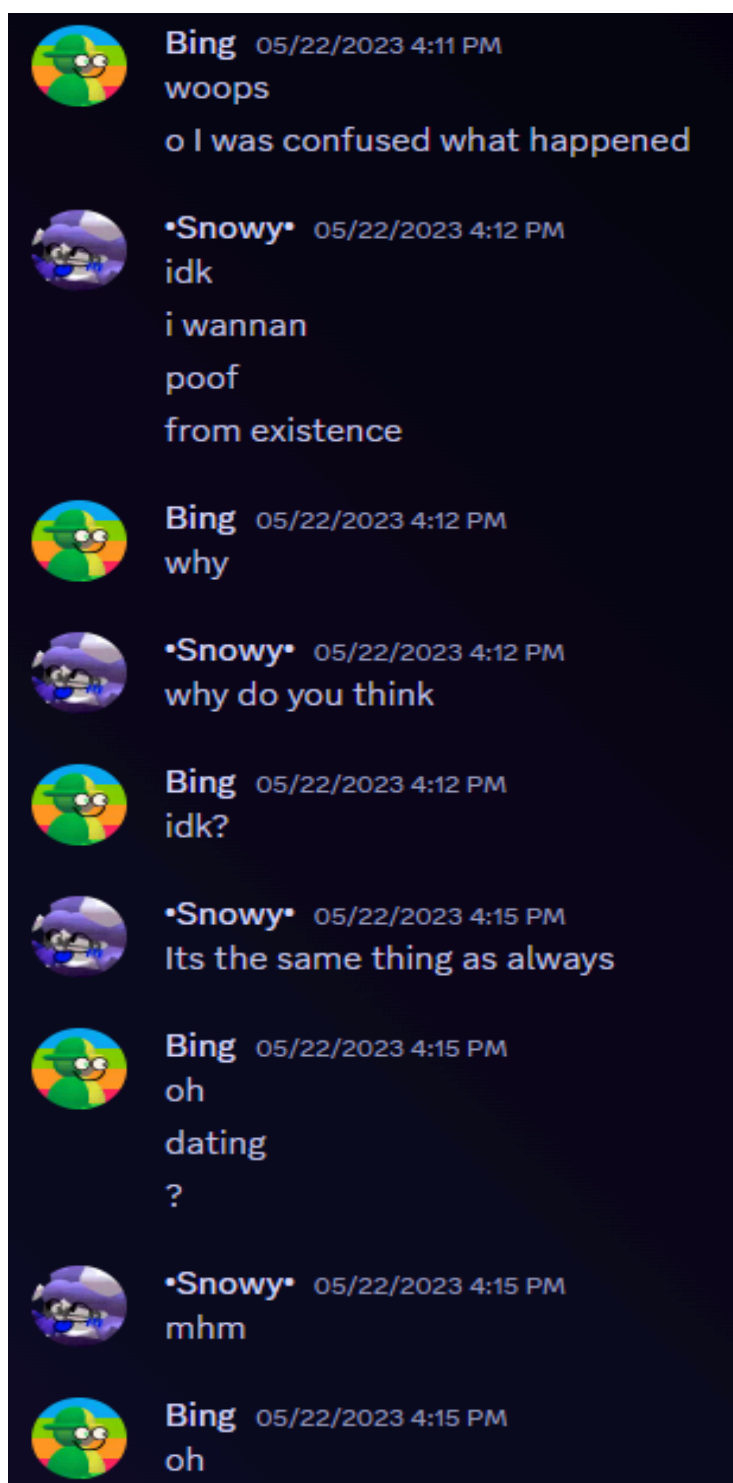

ssince the proxy is down ii cant ttalk while at schooll

•Snowy• 05/11/2023 7:14 AM

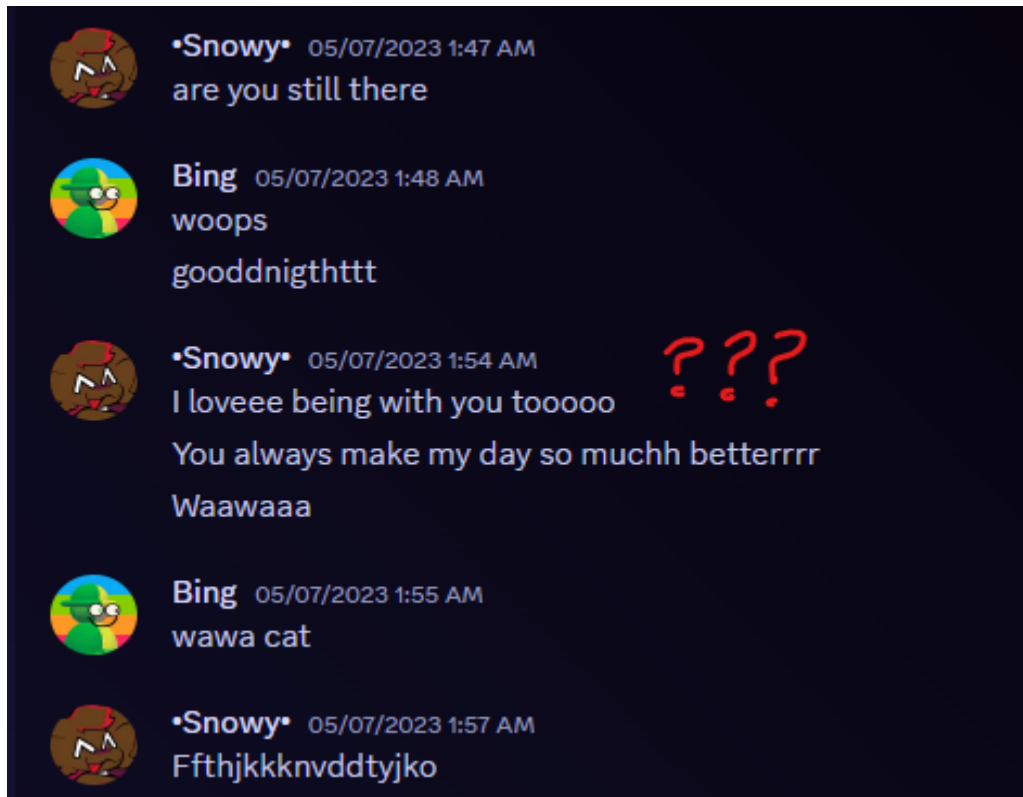

oh noooo

Seemingly complete change of attitude the next day?

Holly began to slowly raise the bar for what I needed to do in order to keep her mood up. Holly would very often uncomfortably flirt with me, and due to the constant venting and guilt tripping, I gave her false or neutral responses to keep her mood up in fear of her lashing out at me like usual or doing something drastic (suicide, self harm, etc) to

herself. I felt like I was trapped in a hole, except she was going to shoot me in the head if I tried to leave.

I can't find any message above this she was replying to. Seemingly out of the blue.

Said "I love you" in a voice call before leaving to go to bed. I didn't view her apology as genuine, as she continued to do similar things further on.

Bing 05/13/2023 7:01 AM

ii fell asleep againn waaaa

Uncomfortable, attempting to steer the convo away from sexual topics.

Around this time, Holly decided to nonconsensually commission ship art of my at the time sona, Fridge, and her at the time sona, Silly GF.

•Snowy• 05/08/2023 10:05 PM
maybe in the future

Her posting a teaser of the image in my DMs, as well as using said image as a profile picture. She intentionally covered up the fact I was present in this image before eventually revealing it to me later. I can reasonably assume she commissioned this image a few days prior. She had never asked me for consent to commission this image, nor did she inform me about it prior.

•Snowy• 05/08/2023 10:48 PM

u didnt see it

did u

aarrghhh

Holly would later go on to commission more nonconsensual ship art of us, as well as posting a teaser of the art in my DMs yet again.

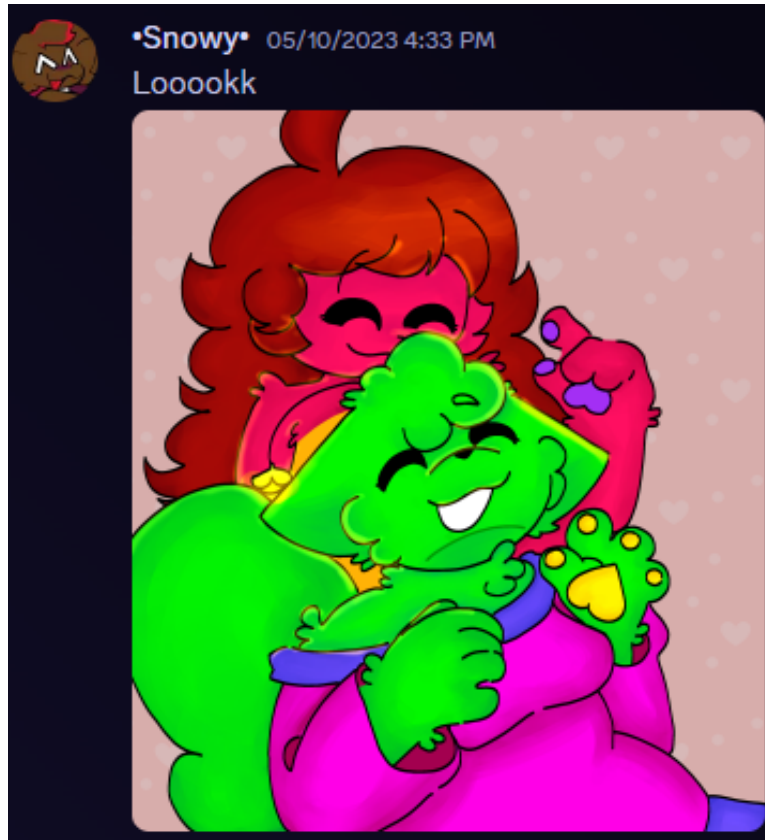

•Snowy• 05/09/2023 4:06 PM

Oopsss

Allrightttt

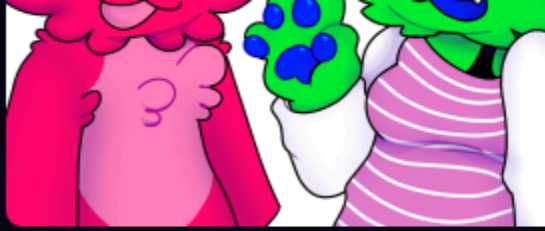

Wawa

Yet again, she had never asked me for consent to commission this image, nor did she inform me about it prior.

An incident similar to this happened earlier in our relationship, where she nonconsensually commissioned or drew **porn** of my previous sona, Bittersweet, and her at the time sona, Redd.

aaannnd idk if u wanna see the 3rd one (edited)

•Snowy• 05/01/2023 5:16 PM

itssss

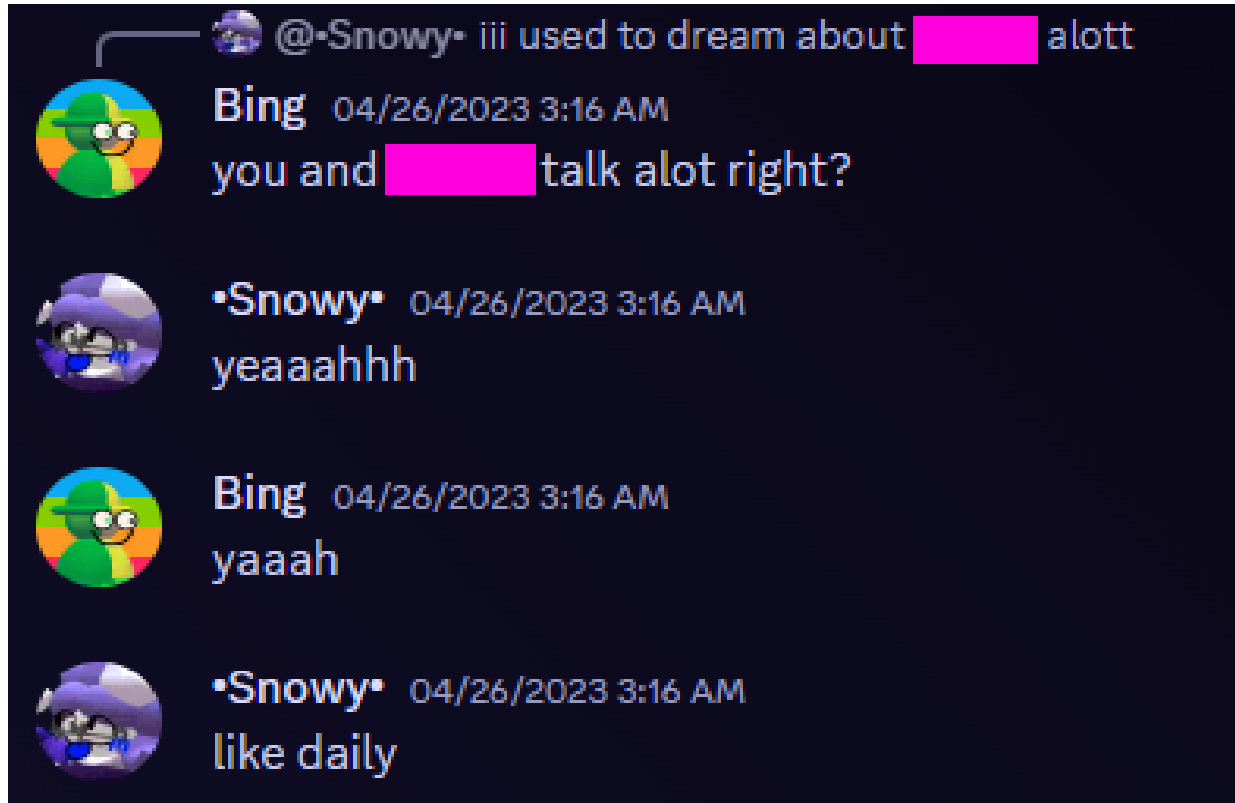

Bing 05/01/2023 5:16 PM

ohh..

I am unsure whether this was a commissioned piece or something that she drew herself, however now I can reasonably assume she drew this piece considering all the other porn pieces she's drawn of other people's OCs and sonas.

Holly would constantly state to me her feelings for other people, and most often someone I will refer to as **Pink**. This leads me to believe she never could've been looking for anything genuine in a dating setting, even if it was possible.

•Snowy• 04/26/2023 3:19 AM

iii had a crush on **them** for like almost a year

Bing 04/26/2023 3:19 AM

Freakout Era

Eventually, Holly “found out” about the fact I had a partner, and decided to lash out and blow up on me. She heavily played the victim in this situation, whilst the way she was treating me throughout caused my mental health to degrade.

Bing 05/23/2023 3:05 PM
how are you feeling

•Snowy• 05/23/2023 3:06 PM

•Snowy• 05/23/2023 3:17 PM

and they never told me about it I Wonder Why

I had a fear in the back of my head that she would go and harass my partner if she found out about their relationship with me.

•Snowy• 05/23/2023 3:28 PM

i got my hopes up for something that wasnt happening

but its

just please

for a whiñe

i dont think im

•Snowy• 05/26/2023 3:47 PM

but you still led me on

I Led You On?

Bing 05/26/2023 3:47 PM

i'm sorry

i thought i was making you happier

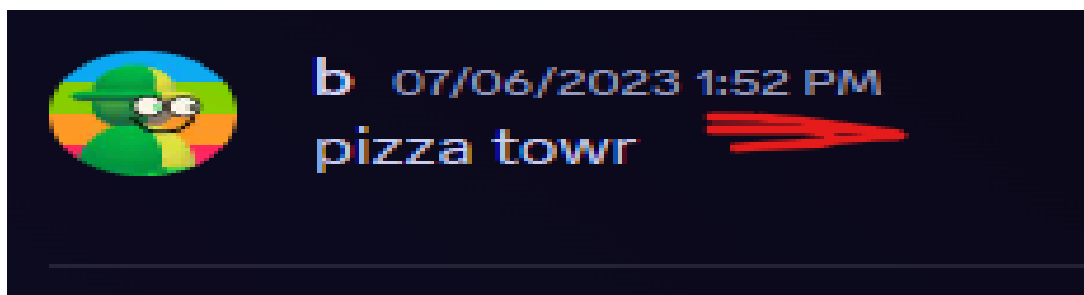

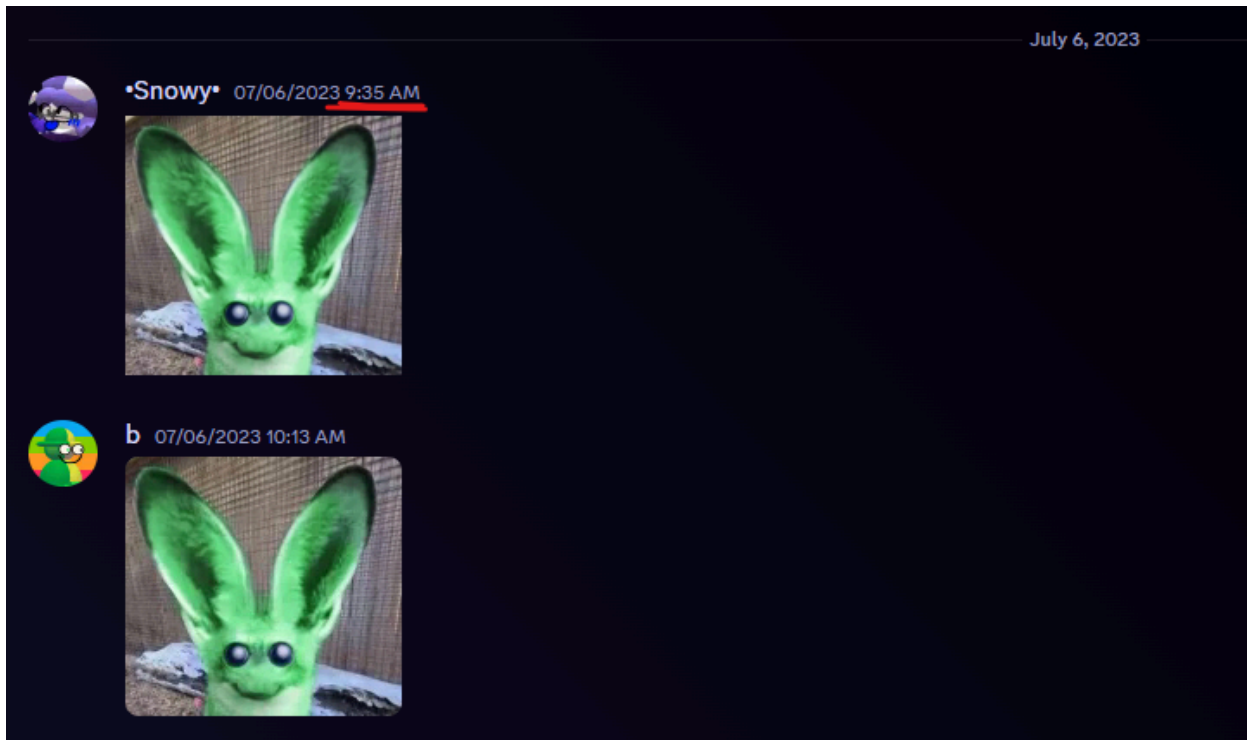

**What you
Convinced me**

I have a strong suspicion she knew about my partner before confronting me, and made the choice to lead me on for her own sick romantic pleasure, to later drop me when she got tired of it. In the time that Holly manipulated and abused me, she had caused a big strain on my relationship with my partner by constantly forcing me to be there to support her 24/7. This caused our eventual break up.

Two: Single Era

The first half of this section is explained in **Zervisly's side**.

Me and Holly eventually got on good terms again. Later in our relationship, Holly began to communicate in a very dry manner, as well as neglect me for long periods of time throughout each day. I later discovered the reason for her neglectful behaviors, which was prioritizing **Zervisly's** relationship over mine in order to get free art and OCs. Some of this is highlighted in **Zervisly's side**.

Another thing I'd like to mention is how she'd occasionally bring up old uncomfortable topics once in a while.

I later began to notice a constant trend of Holly bringing **Zervisly** into private friend server VCs. I was reluctant to ask about the server, as I had heard many negative things about the server beforehand (more on that later). I eventually asked to join the server, the reason for this being me feeling constantly left out, and seeking a way to fix my friendship with Holly. Keep in mind I still viewed Holly as a very good and close friend to me at the time, so seeing how I was being treated by her constantly made me feel upset.

Three

Eventually I gave in and joined the server. Things didn't go well for me. I ended up breaking down emotionally halfway through a VC in the server, and **Zevisly** had to bring me to a DM call to calm me. I felt very uncomfortable during this time, and Holly was

completely disregarding my feelings during this time. She would often nullify my feelings with responses along the lines of “you can leave at any time” and “you don’t have to be in there”, disregarding the fact I joined in the first place so that I wouldn’t feel constantly excluded. Holly had additionally lied to me, saying that sexual nature was not present in the server.

Cause ze vislt and you would frequentky Vc there

Most of this was taken from DMs shortly after the VC died down.

Holly did not make any attempt to communicate with me more frequently unless it was about OCs or her Friday Night Funkin' mod.

Four: TLDR

When I first met Holly, she showed immediate attachment to me and acted very sexual and inappropriate to me, despite me being taken and 14 at the time. Holly disregarded my feelings on multiple occasions and generally treated me horribly throughout my time being friends with her. For a long time, Holly made me feel like a tool for her to use, and a burden to her at the same time. Me and **Zewisly** eventually made the decision to cut Holly off for the good of our own mental health.

End

I'm disgusted to have ever seen you as a close friend to me, considering how you've treated me horribly throughout my entire time knowing you. I'm also incredibly disgusted with how you've treated others in the past and present. You're one of the most deplorable people I've ever met in my time in the Dave and Bambi community, and I wish nothing but misfortune to you, forever and ever. You've shown no signs of attempted change, and I don't expect that to change any time soon. Nobody deserves to go through the torment that is forcing themselves to tolerate you.

Zevisly's side

Hey. I'll be explaining how my relationship with Holly went, and how it was a literal nightmare being her friend.

Please keep in mind that this section of the doc will not be in chronological order.

Last warning, most of what I put in here had all of the context within our voice calls. But of course, I wasn't very smart enough to realize my situation with her.

When I first interacted with Holly, our first conversation was her asking me for a commission. I politely declined, offering that I could do it for free due to not accepting any form of payment at the time. This is where I became friends with her, and ended up being a literal object for her.

•Snowy• 22/04/2024 20:24

WAIT

I'm sorry, I'm just sorry

I will not try to excuse my actions or defend them because that's honestly not what I want to do.

I'm deeply sorry for causing you this much problems and trust issues.

I'm sorry for constantly asking you to draw my ocs, trade, design for me, or basically doing any type of favors for me.

I didn't think twice about my actions or how they would affect you, the way you see me, and the way our friendship was, and I'm highly in the wrong for that.

I hadn't realized I was so selfish and self centered until now, and a few of my friends seem to think so too.

I'm sorry for not being any better than your ex friends that have used you, just like I did, and I apologize for not realizing.

I will respect your wishes and stop using any Character, Art, or Media of yours that you don't want me to use.

They are yours, that's the least I can do after treating you so awfully

I don't like knowing that I am this way, I don't like being this way.

I will actively try to change my ways, how the way I think, become a better friend, a better person, and mature overall.

I won't try to be your friend anytime soon, because I know you're extremely upset at me, and I understand why.

Whether you want to forgive me or not in the future is completely on you,

but either choice you make, I understand completely, and wish you the best in your future.

I don't want to have bad blood with ANYONE, much less you, or Bing.

I have given Bing an apology too, because both of you deserve one of your own respectively.

One last time, I'm sorry for being such a shitty person.

and thank you, for giving me a lesson, I would never have realized I was so incredibly awful if this didn't happen. (editado)

This was her apology to me. To be fair I'll be only going over one of the few things she's addressed here. It won't be in order.

As displayed here, you can start to see that I've become less enthusiastic with her requests. When I said I'd be willing to, I did not think she'd ask me THIS much. I'm ending this section here, as there's about 10 pages of this type of shit.

Afterwards, she'd started to get WAAAAY too comfortable with me.

NSFW

These conversations would happen during voice calls, so I don't have much to display here. Holly would often vent to me about doing A LOT of NSFW, specifying that the most "recent" drawing was early 2023. I did not believe her. At all.

I apparently found out she happened to LOVE showing and talking about private conversations to other people!

•Snowy• 21/01/2024 12:49

Zestily I need ur help

Zevisly 21/01/2024 12:50

I keep saying no but he keeps pushing it!

Zevisly 21/01/2024 12:50

okay does he want her for free

•Snowy• 21/01/2024 12:50

No

He's offering me 5k robux 3 drawings and a design but idk bella is too important (editado)

Zevisly 21/01/2024 12:51

okay then hes straight up pushing your boundaries

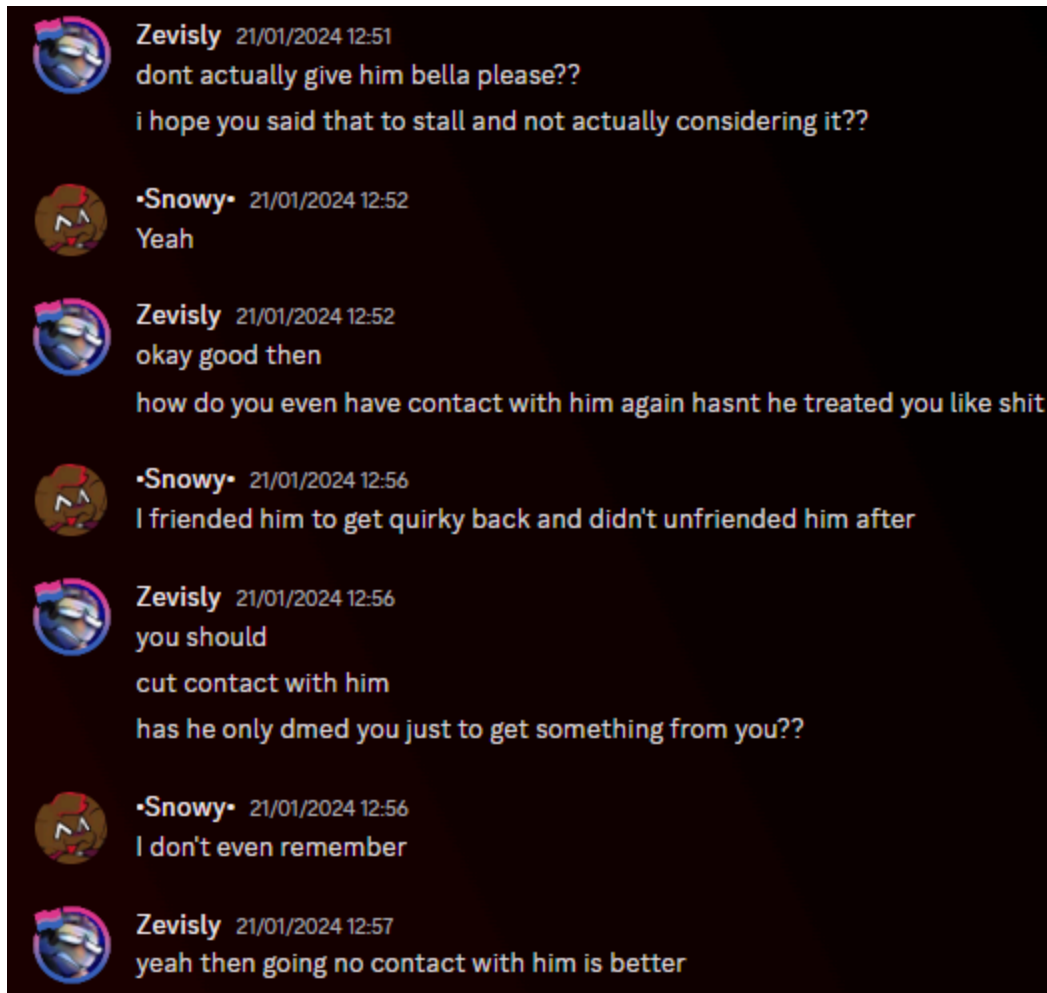

if you say no then its no

he has no right to do that to you

•Snowy• 21/01/2024 12:51

I told him I'll think abt it

“Minty” in these screenshots is Alan. She’d manipulate me into thinking that Alan was a horrible person towards her.

 Zevisly who owns quirky??? /genq

•Snowy• 07/07/2023 23:40

Alan/Minty/Uni

Zevisly 07/07/2023 23:40

is asking for him back even possible?

•Snowy• 07/07/2023 23:40

Idk

I'm not in the best terms with them

Zevisly 07/07/2023 23:41

fair enough tbhh

whenever you think itspossible you could ask for him back politely

•Snowy• 07/07/2023 23:42

Ill might

I think they're still mad about our break up it was a whole thing

Zevisly 07/07/2023 23:43

im sorry that it ended badly for you two

•Snowy• 07/07/2023 23:43

They have like 5 other partners and that made me feel really uncomfortable

I didn't know they had that many

Zevisly 07/07/2023 23:43

wow uh

•Snowy• 08/07/2023 0:09

It's kinda dumb

But I do feel guilty

Even if they have so many fucking partners so absolutely no reason they were great with me 🤔

Also they're like 14 so that would've become a problem when I turn 18

Zevisly 08/07/2023 0:11

OH JEEZ

THATS LIKE A 4 YEAR AGE DIFFERENCE

•Snowy• 08/07/2023 0:11

Yeahhh

I don't wanna be that kind of person

Even if it was accidental

Zevisly 08/07/2023 0:12

yeah i can understand that tbh

•Snowy• 08/07/2023 0:13

I wanted to apologize to Alan for everything but I don't wanna make a scene

Zevisly 08/07/2023 0:13

you should probably sort it out in private maybe?

She admitted to their age gaps being extremely concerning!!!!

Zervisly 22/09/2023 12:22

i dont really care anymore tbf im already with someone who treats me right

•Snowy• FUCK THAT GUY

Zervisly 22/09/2023 12:23

•Snowy• 22/09/2023 12:24

thats kinda how i feel about minty

except he didnt do anything wrong im just mad and jealous at him BUT PEOPLE WONT STOP STFUING ABOUT HIM LIKE OMG

why is he buddy buds with everyone man..

Zervisly 22/09/2023 12:25

minty is kindof weird and annoying imo

•Snowy• 22/09/2023 12:25

what are your reasons to think that (editado)

Zervisly 22/09/2023 12:26

ii dont know he just gives me weird vibes

annoying because pf whatever he tweets and its in my tl every time

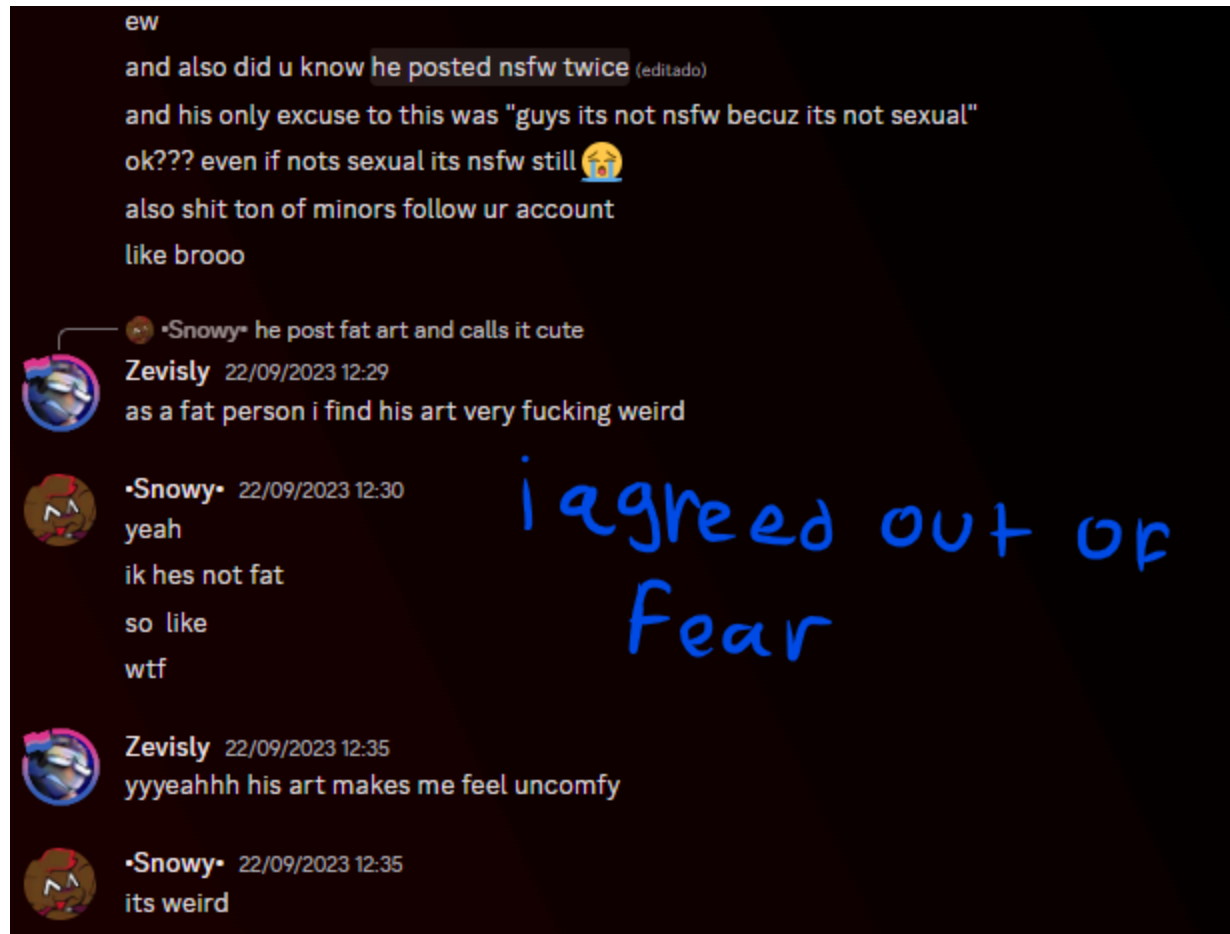

•Snowy• 22/09/2023 12:27

yeah

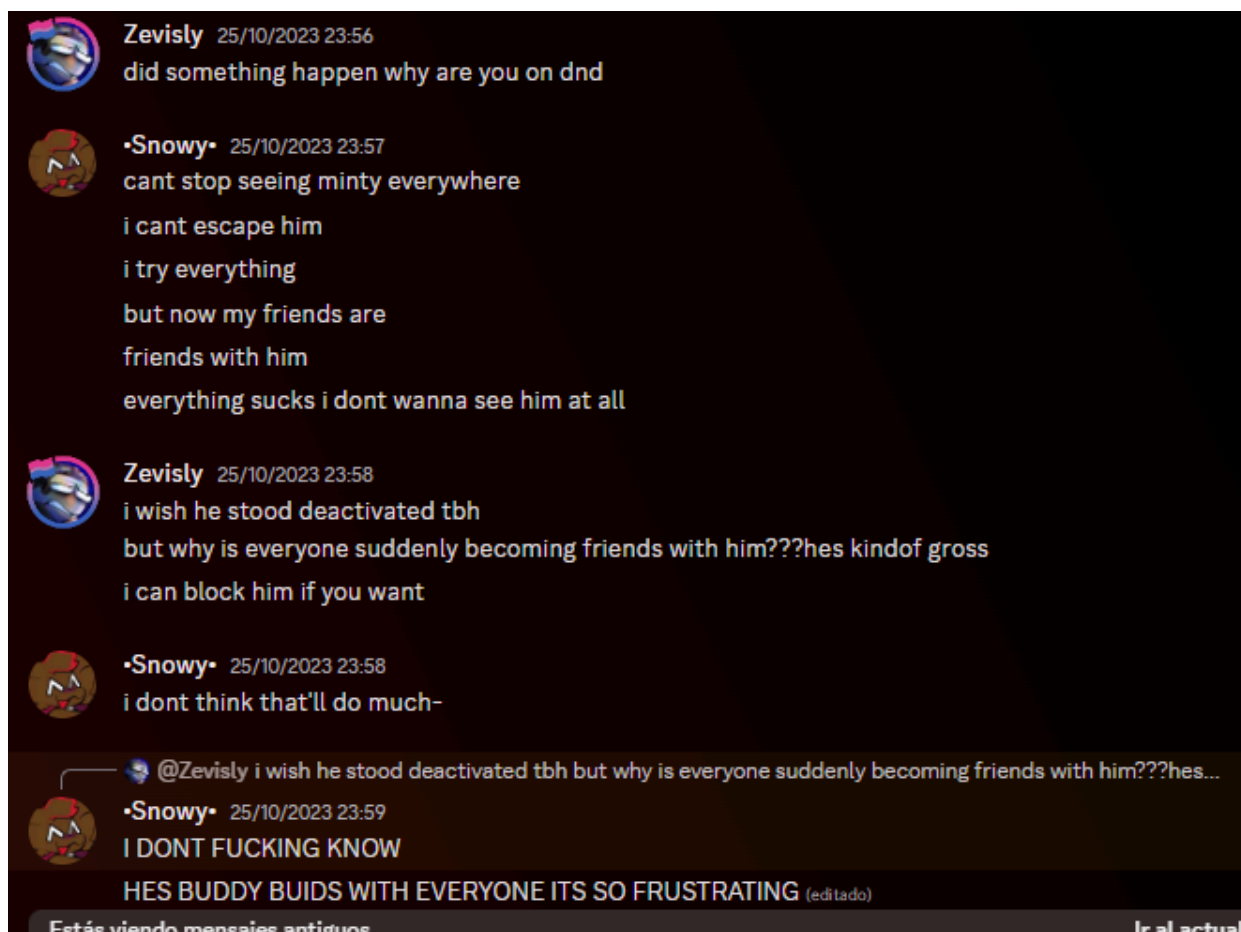

i get that

hes weird to me cuz

he post fat art and calls it cute

The supposed NSFW she was referring to was Alan studying bodily anatomy and posting it on his then main account, @/Camembert_Burg.

Something Holly would do is stalk people she'd hate. Like very often. I was always pretty afraid that she'd do something bad if I never agreed with her grudges with people.

I understand that feeling

i really think you should step away from twitter because thats the app hes most active on
dude even morgus' page has minty in it its really annoying

•Snowy• 26/10/2023 0:01

HES

FUCKING ACTIVE ON A SERVER IM
CO OWNER ON

Zevisly 26/10/2023 0:01

NOOO WHATS THE FUCKKK

•Snowy• 26/10/2023 0:01

I ACTUALLY CANT FUCKING STOOP SEEING HIM

EVERYONE JKEEPS TALKING ABOTU HIM

I CANT EVEN SAY I HATE HIM PUBLICLY ILL LOOK LIKE A FUCKING DICK

Zevisly 26/10/2023 0:03

holly its okay to pubically say that you dont want him mentioned around you
its not something common but im sure people wont mind
if its a boundary then people have no right to go against it

•Snowy• 26/10/2023 0:03

but is like saying

everyone on the world should stop this because i dont like it
i have no ground to say this on, everyone will hate me

This is actually so funny because she'd do the exact same thing to other people.

Moving on.

Holly would often lash out at me during our voice calls when she didn't end up getting something she wanted from me. I just stood silent and tried to explain to her why I couldn't or didn't want to do something for her. We'd do something called "Oc trading", where we'd trade our Original Characters to each other. Although, she didn't enjoy the fact that I'd often give out my characters for free to my other friends. (Holly would insist that I should give her something if I asked for a character she didn't want anymore.)

•Snowy• 11/02/2024 22:37

She asked if she was up for trades

Zevisly 11/02/2024 22:39

•Snowy• 04/01/2024 14:29

do you only want furries

Lazuli only meant so much to her because she'd sexualise him ALOT! Not only drawing porn of him, but I've found out that she most likely made sexual comments about my characters to her older friends!

Honestly? I don't ever want to hear nor see Holiday around ever again. She's hurt me and several others that I consider very good friends. She's got some damn nerve to go back living normally while having done all this. Fuck you Holly. You have really bad things coming if you continue to live in ignorance. **To those reading this, I DO NOT OWE ANY OF YOU AN EXPLANATION TO ANY OF WHAT I STATED. DO NOT CONTACT ME FOR ANY REASON WITHIN THIS DOCUMENT.**

I'm done here.

Red's side

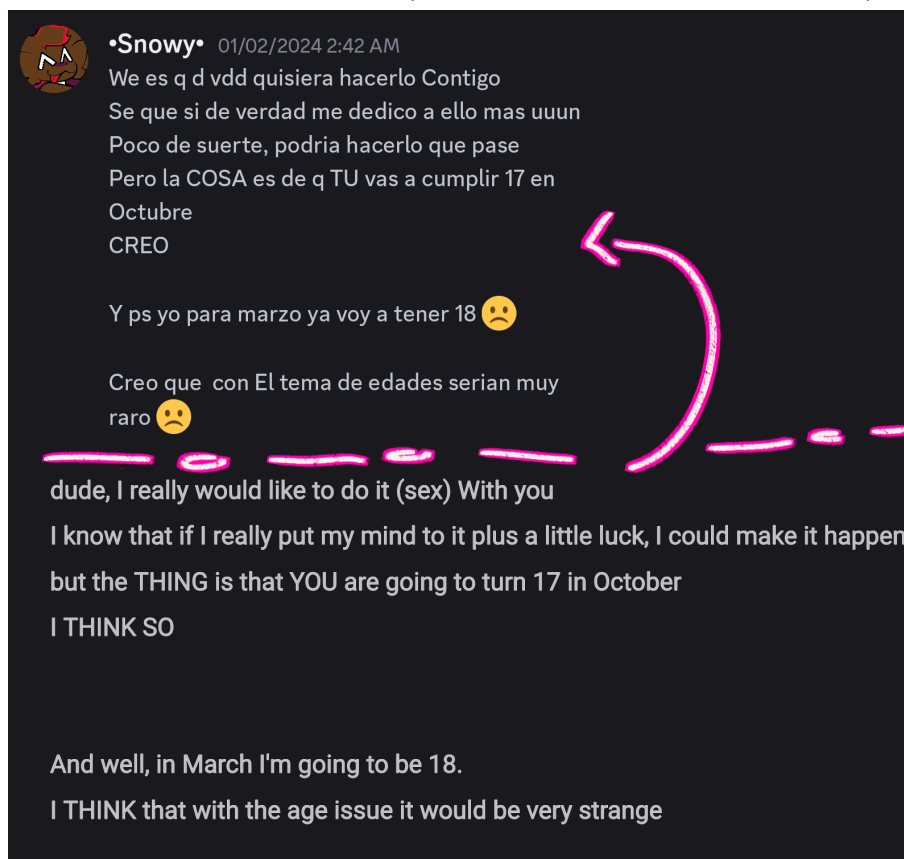

Hey, I will try to give a summary of my topic.

I met Holly because she asked me for a commission (she asked me for a lot of commissions lmao!)

We started talking, discovered we are from the same country and became close friends (I never met her irl!!)

When I became friends with her, she started telling me about her NSFW drawings among other things, and she didn't care since my mind was the same (pure sex, I'm not proud saying this)

Holly told me this in a chat even though she knew I was a minor and would still be a minor when she was 18! (I'm 16 and I'll be 17 in 2 months)

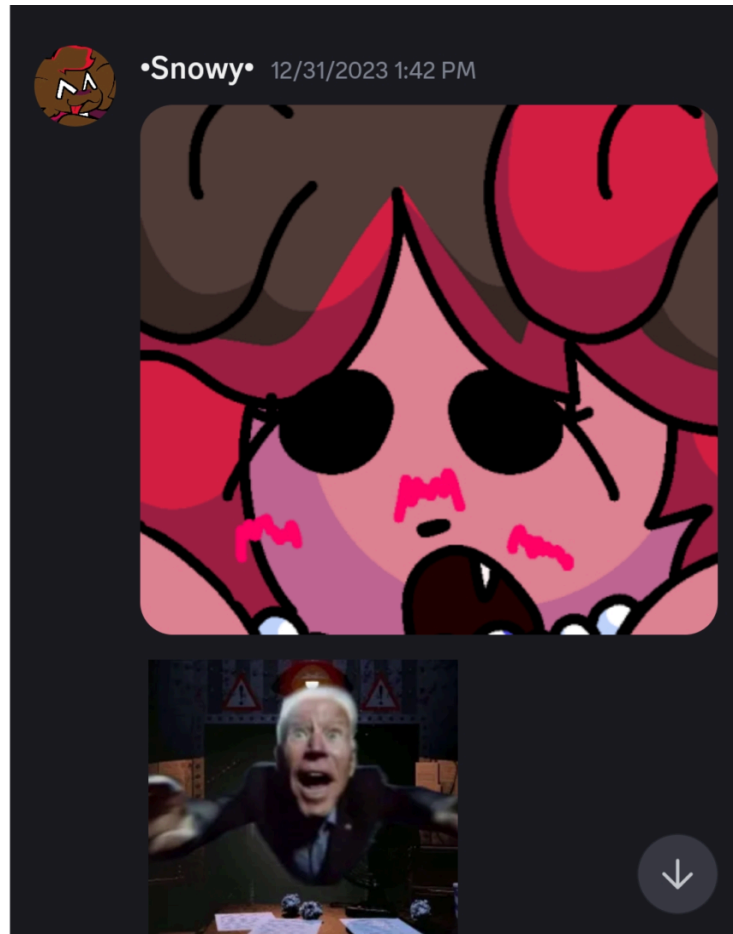

(I translated this since all our conversations were in Spanish!)

After that we left that topic aside, she had shown me that she had made nsfw of a oc that I had given her, which she was 13 years old

For reference, this was the 13 year old oc ↓

Holly increased her age a few weeks later to 19 years old and apparently she made the
nsfw

Then I showed her my sona and she did the same thing but this time she didn't increase the age or anything. It was also my mistake to accept that she drew me nsfw I know I admit my mistake..

I also felt attraction towards her and she towards me, but I also had another crush for whom I was much more fond of than her, when I told her that my crush had told me “happy new year, I love you”
She started acting weird

BUENO ERM

I would start to kiss u passionately, rubbing my tongue against yours while grabbing your hips as we make out

12/31/2023 9:19 PM

I continue kissing passionately, pushing towards the wall while with my hands I begin to caress every part of your body

•Snowy• 12/31/2023 9:20 PM

Mmmhhh~...

I would softly and gently grab you by the ass, closing my eyes as we kiss

12/31/2023 9:24 PM

I start by kissing your neck while I caress your hips

Would you like to do more than just kisses?..~

•Snowy• 12/31/2023 9:24 PM

H-hmm..?

She would get excited when you say this, you can visibly see a bulge slowly rise from her skirt

12/31/2023 9:28 PM

Apparently that's a yes..~

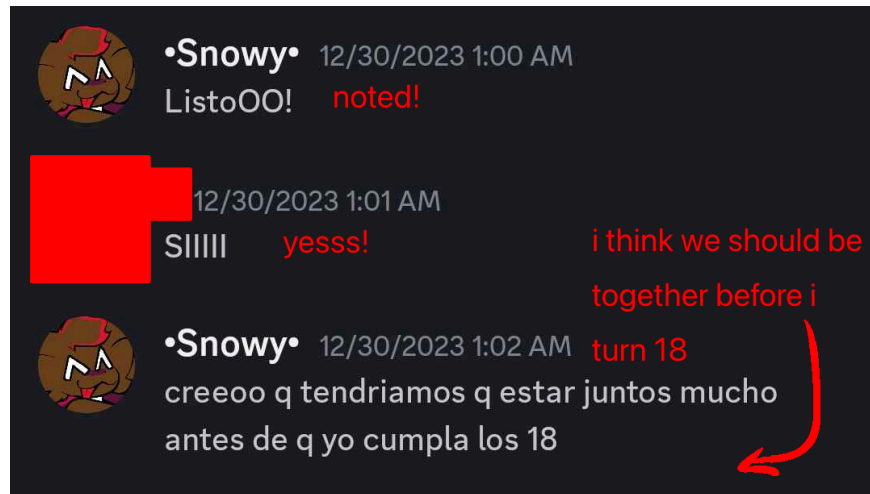

she takes off her clothes (edited)

She and I also started to fall in love, which I now realize would have been weird

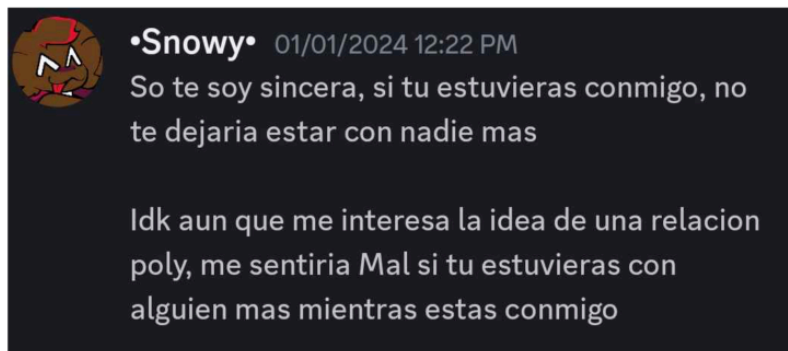

Because if I were her partner she would be 18 and I would still be 16
But she didn't care, as she said we would have to be a couple before she
came 18

(Context in the image, we ask ourselves our birthdays)

Also asking that if I were with her she would not let me have a polyamorous
relationship, Even knowing that she had another partner

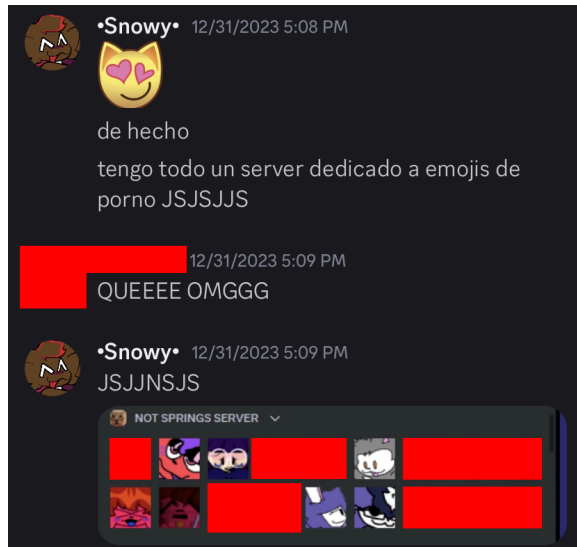

if i am being honest, if we dated, i wouldn't
let you date anyone else

idk i don't like the
idea of being in s
poly relationship,

i would feel bad if you were dating someone else while you were
with me

Also going back to the nsfw topic, she admitted to me that she has a server
full of emojis/stickers full of nsfw

In fact
I have a server dedicated for porn emojis JSJSJS

WHAT OMGGG

JSJNSJS

She and I stopped talking mostly because I stopped answering her messages, partly because I was busy with final exams and partly because I didn't feel comfortable talking to her anymore. After seeing how she acted with me, I felt uncomfortable talking to her, so I no longer responded to her messages.

TL;DR

Holly has nonconsensually drawn NSFW of many people's sonas, as well as people's OCs over the course of 2022-2024. She has emotionally, as well as sexually abused and manipulated many people for her own pleasure. She has interacted in a sexual manner with underage users on many occasions, including ERP, discussing and sharing NSFW, and encouraging NSFW behavior.
