

4-H Project Record - grades 3-6

This is a google document. Please make a copy of this document before completing or editing.

Name		Current year	
Project area		Years in the project	

Preparing

In this project I would like to . . .

Doing

In this project I did these things . . .

If you'd like, attach pictures, clippings, drawings, stories of your activities, journals or additional pages related to this project.

Sharing

How did I share what I learned with others, or how do you plan to share what you learned with others?
(Demonstrations, community service, exhibits, talking to local clubs, helping other youth)

Reflecting

My favorite or least favorite part of this project was:

Self-evaluation

What did you think about this project experience?	GREAT	GOOD	OKAY
What I did			
How I feel about this project			
How I shared with someone else what I did or learned			

Financial record

Many projects don't make money, and that's OK. What you learned or enjoyed is the most important part.

Things that cost money in this project	How much these things cost
	\$
	\$
	\$
	\$
TOTAL:	\$

Things that provided income from this project (Anticipated Income)	How much income
	\$
	\$
	\$
	\$
TOTAL:	\$
