San Antonio Math Include**

Andrew is part of the Class of 2024 at Greenhills School. As a 9th grader, he is currently taking AP Calculus A. He is passionate about math, art, and science. He is also passionate about service and helping others. He hopes to be able to help younger kids improve their mathematics and computer science abilities. He is a member of his school's robotics team and performs in his school's theatre productions. In middle school, he was on the MATHCOUNTS team, and made it to the state competition. He spends his free time drawing, reading, and playing video games.
