

Terms of Use - Color by Numbers Template

Thank you for your interest and support in Teach Create Sell, a part of Rethink Math Teacher. I am thankful that these products can help support other teachers and entrepreneurs.

All templates are the creative property of Chris Skierski and cannot be resold or distributed. They also may not be used in the marketing, logos, graphic products, etc. of others who sell digital products to online entrepreneurs.

Educational / Personal Use: Purchasing these templates and editing them for your classroom, homeschool, or other educational or personal use is acceptable.

Commercial Use: Color by Numbers Templates by Chris Skierski may be used to create educational resources to be sold on websites like TeachersPayTeachers.com. All images and templates must be incorporated into a new, original resource and cannot be sold as a stand alone graphic nor as a template. Images must be secured as a PNG or JPEG or a flattened PDF. Resources must have a clear and obvious educational component.

These images may not be used for graphic design products or merchandise. They may not be used in a website design or printed on merchandise of any kind.

When using these templates, you must give credit to TeachCreateSell.com by using my logo below and link to my TpT store or my website, links below.
