11. [Assessment - Rubric](#)

Awe/Landscape Photography Challenge:**Create:**

Explore and be aware of your environment and then document it by **publishing*** a series of at least four **awesome landscape** and/or **panoramic** photographs. Include answers to the following:

1. Where are these places located?
2. How might this place affect people or have people affected it?
3. What physical processes shaped the features, patterns and textures of these places?
4. What was the most exciting part of this assignment?
