The Development Fund is separate from general operating funds. It is for large capital projects or funding a full-time minister and requires approval of 75% of the congregation to use. The Development Fund is paying for Reverend Teri's services once a month with two in-person visits this year. If you have any questions regarding the budget or how to pledge, please ask a Board Member.

We can do more as a congregation if we have the financial resources and people-power needed for success. Thank you for supporting JUUF by pledging your financial support and/or your Time & Talent.

Your JUUF Board,
Kim Kiefer, Kathy Holm, Honesty Zahnd, Leslie Wood, Erika Partlow
