

Dear Freshmen and Parents/Guardians,

It is already the middle of the 1st marking period. If you have any concerns about your grades, please contact your teachers.

As a reminder, the last day to drop a class without a withdrawal pass or withdrawal fail on your transcript is Monday, September 29.

Game Plan

As a reminder, the freshman Game Plan was sent out so we can learn more about the interests and current goals. Do not worry about or overthink your answers; this is just a baseline to begin to understand how we can help you over the next four years. Please complete this questionnaire by Friday, October 10. It was sent to you via your student school email.

Services

The Hunterdon County Department of Health is offering a program called the Dental Access Program, and it provides up to \$1,500 of free dental care for basic services such as imaging, cleaning, extractions, and restorations. To qualify, they would need to (1) live in Hunterdon County, (2) not have dental insurance, and (3) meet income eligibility requirements. This [Dental Flyer](#) has more information about the program in both English and Spanish. They also provide other free services such as biometric screenings, lead testing, and vision screenings, and this [PHN Program Flyer](#) has more information about those services.
