

Subject Line: Action Needed: Athletics & PE Physical Forms Moving to Rank One

Great news for secondary families! Beginning May 1, 2026, the Boise School District is launching **Rank One**, a new, easier way to submit student athletic and required PE physical forms - all in one convenient place.

This new system will replace the previous process and will serve as the primary location for submitting participation paperwork moving forward.

In addition to simplifying physical form submission, Rank One will also provide families with convenient access to **team schedules, participation documents, and important athletic communications** in one place - making it easier to stay informed throughout the school year.

Who needs to submit forms in Rank One?

Rank One registration is required for:

- **All 7th grade students** who need to submit a physical for athletics or participation in PE
- **All 9th grade student-athletes**
- **All 11th grade student-athletes**
- **Any student participating in school athletics (grades 7–12)**
- **All Summer School P.E. participants (Register through your home school)**

Families should **submit physical forms directly in Rank One - not at the school office.**

Already have a current physical on file for the 2026-2027 school year

Families of current **8th, 10th, and 12th grade student-athletes (for the 2026–2027 school year)** will need to:

1. Log in to **Aktivate**- <https://www.registermyathlete.com/login/>
2. Download their student's current physical- [Watch Video](#)
3. Upload it into **Rank One** during registration

How to register in Rank One

Beginning May 1:

1. Go to the [Rank One login page](#)
2. Select **Add Student**
3. Enter your student's **Date of Birth** and **Student ID number**
4. Select **Start Forms**
5. Upload your student's physical and required participation documents

Helpful parent tutorial [video](#) is available to guide you through the process.

Questions?

Please contact your student's **school Athletic Director** for assistance.

Thank you for helping us ensure students are ready for participation in athletics and physical education programs.
