Nebraska High School State Basketball Travel Tips:

1. Take a minute to research who your in network providers are in Lincoln, in case of an emergency or if you or your child should need to see a doctor.
2. Research and locate various competition gyms.
3. Research road closures and construction.
4. Be prepared for concessions at these event centers. Sometimes they can be understaffed and take longer to get your orders, and some facilities are cashless (I'm not sure about Devaney and PBA at this time)
