

BEADS for Education

A message from Watkinson Student Foundation:

The Student Foundation is working with [BEADS for Education](#) to raise money for girls in Kenya

Watkinson grade levels, and the students they are assigned to sponsor this year! Spread the word to your

to attend Tambea School. Watkinson has been working with this school for over 20 years, and supporting young girls in their academic journey. The school is now offering 6-12th grade, and supports students after graduation. They are dedicated to providing education to girls in Kenya who often do not have the opportunity to attend school, with the hopes of avoiding marriage at such a young age.

From this February through April, we will be raising money to reach our \$3000 fundraising goal. Each grade at Watkinson will sponsor one student with a goal of raising \$500. Check out [this link](#) to see the student that your grade will sponsor, and learn about their life in school and other background information. Below are

community, family, and friends, to help reach our goal! **Cash donations should be delivered to the front office, and Venmo donations should include your grade level and the words BEADS and be sent to @Watkinsonschoo.** For example, if you are in 9th grade, it should be "9th grade BEADS." Along with cash and Venmo donations, we have [created a website](#) to share with your friends, family, and community where information is provided and donations can be collected.

Throughout the next coming weeks we will be making announcements at All School introducing the students that we will be sponsoring. We look forward to supporting these students again in their academic journey. Thank you all for your support

Hear from the Tambea sponsored students & see how much support your grade has provided as of: April 21

Letters from [Josephine](#)
\$80 of \$500 raised by Grade 6-7

Letters from [Melody](#)
\$200 of \$500 raised by Grade 10

Letters from [Valentina](#)
\$130 of \$500 raised by Grade 8
