

Sharks Newsletter

October 28th, 2026

Greetings from the 8th Grade Sharks Team!

This month brings us to the end of Quarter 1 on November 12th. Please check Schoology with your students to help them keep track of Summative assessments that will build up in the next few weeks. We look forward to seeing you at conferences!

Last week, we had a very successful Service Learning day with our 8th graders. We had a great time visiting our new Elementary friends at Expo and Highland Park Elementary. If you would still like to donate to help us cover the cost of materials and transportation, you can donate using the link below.
