

Death Pill - Sorian

Welcome to Conspiracy Mafia!

You are a conspiracy nut and that means that you are **TOWN**.

You believe that there are time travelers who came from the future who are living among us.

You are a **Pill Enthusiast**. You can send me by PM your command ***Fake Death Pill*** during the first 24 hours of a day phase and you will be declared dead in the game thread. There will be no flip and your PM won't be shared. You won't be allowed to post during the remainder of the day phase. During the next night phase you can use the command ***Investigate: Playername*** to learn the alignment and the role of your target. At the start of the next day phase it will be revealed that you are alive and you can post again in the game.

You aren't allowed to use your role during D1. Also, you can still be lynched or Night Killed while you are faking death. This is an one-shot ability.

You also can vote during the day phase.

You win when all threats to town have been eliminated.

Your game thread is here:
